

Council Working Group for strategic and financial plans 2028-2031 Second meeting – From 20 to 21 February 2025

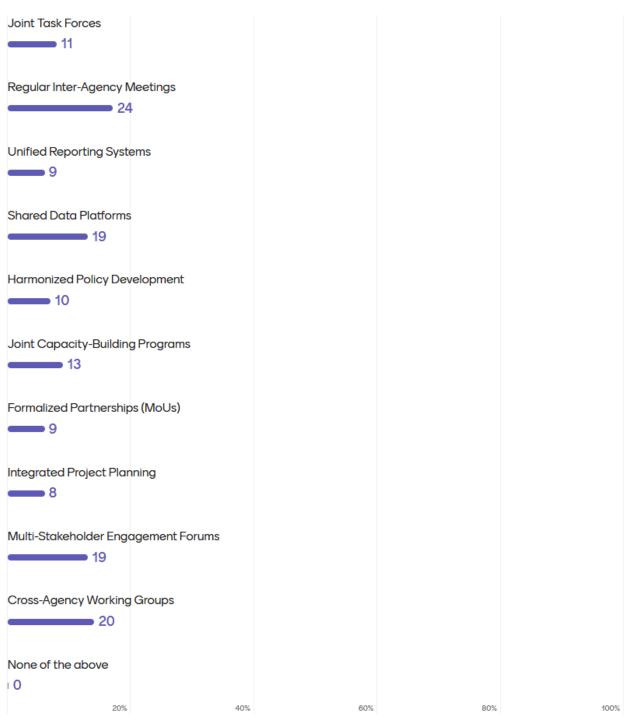

> Document CWG-SFP-2/INF/5 21 February 2025 English only

SITUATIONAL ANALYSIS PRESENTATION

RESULTS OF THE Q&A

1

How can ITU and other UN agencies enhance coordination and reduce overlaps in the digital and ICT ecosystem at national and regional levels?

How can ITU best support Member States in implementing the Global Digital Compact (GDC) and reflect this role in its Strategic Plan?

Mapping GDC objectiv	es to ITU's strategic go	als		
	34			
Focusing on bridging th	ne digital divide and pro	omoting inclusive and a	ffordable connectivity	
	2 8			
Strengthening capacit	y building and technico	al assistance		
2	3			
Collaborating on emerg	ging technologies			
 17				
Fostering multi-stakeho	older engagement and	partnerships		
	25			
None of the above				
•1				
20%	40%	60%	80%	100%

Which objectives of the GDC should ITU prioritize?

Objective 1: Close digit	al divide			
	37			
Objective 2: Digital eco	nomy for all			
	23			
Objective 3: Open, safe	and secure digital spa	ice		
	25			
Objective 4: Data gove	rnance			
 10				
Objective 5: Governan	ce of Al			
21				
All of the above				
 6				
20%	40%	60%	80%	100%

<u>දි 52</u>

Are there any other key technological trends that should be considered in ITU's Strategic 330 0.78Framework?
