Summary:

This liaison statement contains an acknowledgment of the liaison received from CWG-SFP on the same topic.

The Telecommunication Development Advisory Group (TDAG) acknowledges with thanks the liaison statement received from the Council Working Group for Strategic and Financial Plans (CWG-SFP) about the establishment and scope of work of the Group for the 2028–2031 cycle.

TDAG welcomes the opportunity to contribute to the development of the new Strategic and Financial Plans and expresses its commitment to actively participate in the work of the CWG-SFP.

In this context, TDAG wishes to inform the CWG about the work of the TDAG WG on ITU-D Priorities and its outcome as reported in TDAG Document 21. Furthermore, TDAG will:

- Provide its assessment of the implementation of previous Strategic and Financial Plans, particularly from a telecommunication development perspective;
- Share proposals and recommendations for the upcoming 2028–2031 Strategic and Financial Plans, in alignment with the goals and priorities of the Telecommunication Development Sector.

TDAG looks forward to continued collaboration and coordination with the CWG-SFP and other stakeholders involved in shaping the Union's strategic direction.
