

New Zealand (country code +64)

Communication of 10.II.2020:

The *Ministry of Business, Innovation and Employment*, Wellington, announces the dialling plan for New Zealand telephone numbers, in conformity with Recommendation ITU-T E.129:

- Minimum number length (excluding the country code): three (3) digits.
- Maximum number length (excluding the country code): fourteen (14) digits.

The table below includes only those number groups that can be dialled from outside New Zealand.

This update of the dialling plan is dated 10 February 2020.

The main updates to this schedule are as follows:

NDC 29 – N(S)N max length is now 10 digits

NDC 85 – N(S)N max length is now 13 digits
