(please return the form	n to the relevant Organization)
Common text or return the form to each	twin text (ITU-T Rec. ISO/IEC Deliverable (*)) (for common text or twin text, please of the three Organizations: ITU-T, ISO, IEC)
ISO/IEC Deliver	able (*) (for ISO/IEC Deliverables, please return the form to both ISO and IEC)
(*)Number	G.709
(*)Title	Interfaces for the Optical Transport Network (OTN)

The Patent Holder believes that it holds granted and/or pending applications for patents, the use of which would be required to implement the above document and hereby declares, in accordance with the Common Patent Policy for ITU-ITITU-RISO/IEC, that (check one box only): 1. The Patent Holder is prepared to grant a free of charge license to an unrestricted number of applicants on a worldwide, non-discriminatory basis and under other reasonable terms and conditions to make, use, and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the ITU-T, ITU-R, ISO or IEC. Also mark here fif the Patent Holder's willingness to license is conditioned on reciprocity for the above document. Also mark here fif the Patent Holder reserves the right to license on reasonable terms and conditions (but not free of charge) to applicants who are only willing to license them patent claims, whose use would be required to implement the above document, on reasonable terms and conditions (but not free of charge). 2. The Patent Holder is prepared to grant a license to an unrestricted number of applicants on a worldwide, non-discriminatory basis and on reasonable terms and conditions to make, use and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the ITU-T, ITU-R, ISO, or IEC. Also mark here fif the Patent Holder's willingness to license is conditioned on reciprocity for the above document. 3. The Patent Holder is unwilling to grant licenses in accordance with provisions of either 1 or 2 above. In this case, the following information must be provided to ITU, and is strongly desired by ISO and IEC, as part of this declaration: - granted patent number or patent application number (if pending); - an indication of which portions of the above document are affected; - a description of the patent claims covering the above document. Free of charge: The words "free of charge" do not mean that the Paten	Licensing	declaration:
applicants on a worldwide, non-discriminatory basis and under other reasonable terms and conditions to make, use, and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the ITU-T, ITU-R, ISO or IEC. Also mark here if the Patent Holder's willingness to license is conditioned on reciprocity for the above document. Also mark here if the Patent Holder's willingness to license is conditioned on reciprocity for the above document, on reasonable terms and conditions (but not free of charge) to applicants who are only willing to license their patent claims, whose use would be required to implement the above document, on reasonable terms and conditions (but not free of charge). 2. The Patent Holder is prepared to grant a license to an unrestricted number of applicants on a worldwide, non-discriminatory basis and on reasonable terms and conditions to make, use and sell implementations of the above document. Negotiations are left to the parties concerned and are performed outside the ITU-T, ITU-R, ISO, or IEC. Also mark here if the Patent Holder's willingness to license is conditioned on reciprocity for the above document. The Patent Holder is unwilling to grant licenses in accordance with provisions of either 1 or 2 above. In this case, the following information must be provided to ITU, and is strongly desired by ISO and IEC, as part of this declaration: granted patent number or patent application number (if pending); an indication of which portions of the above document are affected; a description of the patent claims covering the above document. Free of charge: The words "free of charge" do not mean that the Patent Holder is waiving all of its rights with respect to the essential patent. Rather, "free of charge" refers to the issue of monetary compensation; i.e., that the Patent Holder will not seek any monetary amount, the Patent Holder is still entitled to require that the implementer of the above document sign a license agreement tha	required to	o implement the above document and hereby declares, in accordance with the Common Patent Policy for
