Dear Mr. Dr. Irmer!

We would like to announce following IPR related comments:

**TITLE:** ANNOUNCEMENT OF INTELLECTUAL PROPERTY RIGHTS REGARDING  
CURRENT WORK IN ITU-T SG 15 RELATED TO QUESTION 4

In connection with the Recommendations G.lite, G.dmt, G.ploam, G.test and G.hs, which are presently under establishment within WP 1 of SG 15 (in Question 4), SIEMENS AG wants to claim patent rights related to the listed Recommendations.

SIEMENS AG is willing to offer licenses on a non-discriminatory basis on reasonable terms and conditions (according to paragraph 2.2 of the ITU patent policy) concerning the SIEMENS AG owned patents being necessary for compliance on a technological basis with the above mentioned Recommendations to be approved in future within ITU-T.

with best regards

Franz Fimpel
