Dear Dr. Irmer:

AT&T will license its patents which relate to the ITU-T Recommendation H.222.0 Video Standard, to the extent that such patents claim, and are essential to the implementation of, the Standard. Such licenses will be granted under reasonable terms and conditions on a non-discriminatory, non-exclusive basis. Such reasonable terms and conditions would include a reasonable royalty and a grant of licenses to AT&T.

If you, or any member of your organization, have any questions concerning the licensing of AT&T's patents related to this standard, please contact Mr. David S. Nelson at 908-580-5392.

A complete list of patents is not available. This is a general declaration for all patents essential to the implementation of H.222.0.

Sincerely,

A handwritten signature in cursive script that reads "Thomas C. Dodd".

Thomas C. Dodd  
Intellectual Property Director
