Re: Patent Licensing Policy

Dear Mr. Irmer:

QUALCOMM Incorporated hereby declares that it is prepared to license its patents, both granted and pending, which are necessary to manufacture and sell implementations of the proposed ITU-T Recommendation H.262/ISO/IEC 13818-2 Standard for video coding and ITU-T Recommendation H.222.0/ISO/IEC 13818-1 Standard for systems coding.

QUALCOMM Incorporated hereby also declares that it is aware of the rules governing inclusion of patented items in ITU-T Recommendations, as described in the ITU-T code of practice regarding intellectual property rights, and in particular that it is willing to grant a license to an unlimited number of applications throughout the world under reasonable terms and conditions that are demonstrably free of any unfair competition.

Yours sincerely,

Russell B. Miller
Patent Counsel
