FUJITSU LIMITED hereby declares that it is prepared to license its patents, both granted and pending, which are necessary to manufacture and sell implementations of the proposed Recommendation H.263 version 2 (H.263+) Video standard for video coding.

FUJITSU LIMITED hereby also declares that it is aware of the rules governing inclusion of patented items in ITU-T Recommendations, as described in the ITU-T code of practice regarding intellectual property rights, and in particular that it is willing to grant a license to an unlimited number of applications throughout the world under reasonable terms and conditions that are demonstrably free of any unfair competition.

Yours sincerely,
