Your ref.:

Our ref.:
KBK/kw

Date:
26 Sept. 1990

To whom it may concern:

Brüel & Kjaer hereby confirm that we do not hold any patents on the design or manufacture of our Type 4128 "Head and Torso Simulator" which we submit as a candidate for CCITT SG XII standardisation. Several functional key elements of the design have already been standardised or reported by the IEC.

Sincerely yours,

Per V. Brüel
