**Subject: Canon Patent Statement Relative to
Automatic Terminal Selection Procedures**

TSD
10 JAN 1995
No. 106

Dear Mr. Irmer:

In the event the standard identified as ITU-T Rec. T. 30 Annex D (the "Standard") cannot be practiced without the use of one or more issued patents owned and controlled by Canon, Canon is willing upon request to grant a non-exclusive license under such patent or patents on a non-discriminatory basis and on reasonable terms and conditions and provided a similar grant under licensee's patents within the scope of the license granted to licensee is made available upon request to Canon.

A party that wishes to receive further information on these license options, or to request a license, should write to:

Senior General Manager
Corporate Intellectual Property and Legal Headquarters
Canon Inc.
30-2 Shimomaruko 3-chome, Ohta-ku, Tokyo 146, Japan

With best regards.

Sincerely yours,

CANON INC.
