

Dear Q4/9 Colleagues,

Proposal of requirements for device integration API, namely J.hadi, is posted at informal FTP server, in the directory of 201003-Shanghai.

If any of you have intention to post the document, I would like to encourage your posting toward upcoming Q4/9 Rapporteur meeting in Shanghai. Deadline for posting is considered on Mar. 10 in Geneva time.

As described in COM9-R3-E, current agenda for Rapporteur meeting is as follows;

- 1) Review and finalize DRR J.200 for consent
- 2) Review and finalize DRR J.202 for consent
- 3) Discuss about J.hadi

I hope to get fruitful result at the meeting with you in Shanghai.

Best regards,
Masaru TAKECHI
Q4/9 Rapporteur
