greenstandard@itu.int

WHAT IS THE CHALLENGE ABOUT?

Enter the 2nd Green ICT Application Challenge by submitting a Concept Paper with your idea for an application that will help enable Sustainable Energy for All.

Ideas for topic areas:

- Energy efficiency: in sectors such as smart buildings, intelligent transport systems, smart homes, etc.
- Access to Energy: smart metering, energy billing systems, energy management, etc.
- Renewable Energy: smart grids, renewable energy potential, electric vehicles, etc.

"Get involved and help us build a sustainable future"

WHAT DO I WIN?

The author of the best, most innovative Concept Paper will be awarded a cash prize of **USD 3,000** by ITU and Telefónica.

WHO CAN PARTICIPATE?

The Challenge is open to individuals from Member States of the ITU. Individuals must be of the age of majority in their country at the time of entry.

TIMELINE

The submission period begins on 1 February 2012 at 12:00 PM Central European Time ("CET") and **ends on 13 April 2012 at 12:00 PM CET.**
