Subject: **Situation concerning Recommendations under the Alternative Approval Process (AAP)**

Dear Sir/Madam,

1. The World Telecommunication Standardization Assembly (WTSA-04), which was held in Florianópolis, Brazil, from 5 to 14 October 2004, decided to maintain in force the ITU-T Recommendation A.8 "Alternative Approval Process (AAP)".

The AAP applies to Recommendations which do not have policy or regulatory implications, and which therefore do not require formal consultation of Member States (see ITU Convention 246B).

2. **Annex 1** lists those texts whose status has changed compared to previous TSB AAP Announcements.

3. You will find an AAP comment submission form by clicking the study group of your choice in the AAP area of the ITU-T Website at <http://www.itu.int/ITU-T/aap/>. See also **Annex 2**.

Yours faithfully,

Malcolm Johnson
Director of the Telecommunication
Standardization Bureau

Annexes: 2

ANNEX 1
(to TSB AAP-70)

Status codes used in the AAP announcements:

LC = Last Call
LJ = Last Call Judgment
AR = Additional Review
AJ = Additional Review Judgment
SG = For Study Group approval
A = Approved
AT = Approved with typographic corrections
AC = Approved after Additional Review of Comments
NA = Not approved
