- Au Directeur du Bureau de développement des télécommunications;
- Au Directeur du Bureau des radiocommunications

Objet: **Etat des Recommandations auxquelles s'applique la variante de la procédure d'approbation (AAP)**

Madame, Monsieur,

1. L'Assemblée mondiale de normalisation des télécommunications (AMNT-2004), qui s'est tenue à Florianópolis (Brésil) du 5 au 14 octobre 2004, a décidé de maintenir en vigueur la Recommandation UIT-T A.8 sur la "Variante de la procédure d'approbation (AAP)".

La procédure AAP s'applique aux Recommandations qui n'ont pas d'incidence politique ou réglementaire et qui ne nécessitent donc pas une consultation formelle des Etats Membres (voir le numéro 246B de la Convention de l'UIT).

2. L'**Annexe1** énumère les textes dont le statut a changé par rapport aux annonces TSB AAP précédentes.

3. Vous pouvez obtenir un "formulaire de soumission des observations" en cliquant sur la commission d'études de votre choix dans l'espace AAP du site web de l'UIT-T à l'adresse suivante: <http://www.itu.int/ITU-T/aap/>. (Voir aussi l'**Annexe 2**).

4 Veuillez noter qu'en raison de la fermeture annuelle de l'UIT fin décembre, aucune annonce AAP ne paraîtra en date du 1er janvier 2008. En conséquence, le délai de certains textes annoncés a été repoussé car la date limite coïncidait avec cette période.

Veillez agréer, Madame, Monsieur, l'assurance de ma considération distinguée.

Malcolm Johnson
Directeur du Bureau de la normalisation
des télécommunications

Annexes: 2

ANNEX 1
(to TSB AAP-73)

Status codes used in the AAP announcements:

LC = Last Call
LJ = Last Call Judgment
AR = Additional Review
AJ = Additional Review Judgment
SG = For Study Group approval
A = Approved
AT = Approved with typographic corrections
AC = Approved after Additional Review of Comments
NA = Not approved
