Dear Mr. Zhao

Thank you for your kind letter dated May 22, 2015 which thanked me for my attendance at ITU150 Awards ceremony.

It was my pleasure and honor to be there to receive the prestigious ITU150 Award along with other recipients. I would like to thank you for guiding ITU to create and award ITU150 Awards to people in the industry and academia.

I hope I can make further contribution to ITU and ICT in general in the future.

Sincerely,
