DAY 2: 15 AUGUST 2017

Session 5: Cybersecurity

This session will provide an overview of areas encompassed in cybersecurity discussions (e.g. critical information infrastructure protection, cybercrime, cyber conflicts and economic espionage). Main cyber threats and frameworks of cooperation will also be discussed.

09:00 – 10:30

Facilitator: Susan Teltscher, ITU

- Vanessa Cravo, Regulation Expert, ANATEL
- Daniel Fink, Manager, Stakeholder Engagement, ICANN
- Lucimara Desiderá, Security Analyst, CERT.br/NIC.br

10:30 – 11:00 **Coffee Break**

Session 6: Digital business models for economic growth and development

This session will provide an overview of the process of digitisation and of the data-based economy in the Americas region. The use of big data for development, cloud services and the growth of digital commerce in the region will be some of the topics under discussion.

11:00 – 12:30

Facilitator: Randall Treviño, ITU

- Marília Maciel, Digital Policy Senior Researcher, DiploFoundation
- Abraão Balbino e Silva, Superintendent of Competition, ANATEL

12:30 – 13:30 **Lunch**

13:30 – 15:30 **Break out groups**

15:30 – 16:00 **Coffee Break**

Session 7: Capacity building priorities in the Americas Region

This session aims to discuss what should be the priorities in capacity development in Internet governance, which are the thematic gaps that need to be filled, what is the best way to deliver training and certification in the region and how to take the discussion on capacity building forward, building sustainable collaboration among stakeholders.

15:30 – 17:30

Facilitator: Andrea Grippa, ANATEL

- Ana Veneroso, Programme Administrator, ITU
- Carolina Aguerre, Professor, University of San Andrés, Buenos Aires
- Luca Belli, Senior Researcher and Manager of the Internet Governance Project, Getulio Vargas Foundation (FGV)

DAY 3: 16 AUGUST 2017

Session 8 – Legal aspects

09:00 – 10:30 This session will provide an overview of the different types of legal instruments and their role in Internet governance (e.g. international agreements, national laws, private contracts - terms of service). It will also discuss how court decisions are increasingly influencing Internet governance.

Facilitator: Vanessa Cravo, ANATEL

- Alexandre Veronese, Professor, University of Brasilia
- Luca Belli, Senior Researcher and Manager of the Internet Governance Project, Getulio Vargas Foundation (FGV)

10:30 – 11:00 **Coffee Break**

Session 9: Privacy in the digital age

11:00 – 12:30 This session will tackle online privacy and data protection from the standpoint of legal frameworks and policy issues (e.g. consent, data collection and mass surveillance) and also from a practical perspective, covering some privacy enhancing technologies.

Facilitator: Marília Maciel, DiploFoundation

- Danilo Doneda, Professor, State University of Rio de Janeiro (UERJ)
- Philippe Moura, Regulatory Manager, Latin America, GSMA

12:30 – 13:30 **Lunch**

13:30 – 14:30 **Break-out groups**

14:30 – 15:00 **Presentation of the results of SPMUN 2017 by Victoria Puchalski**

Conclusion and follow-up

15:00 – 15:30 Open debate among participants in order to assess the training experience and identify potential follow-up initiatives.

Closing Session

- 15:30 – 16:00
- Bruno Ramos, Director, ITU Americas Regional Office
 - Susan Teltscher, Head, HCB Division, ITU
 - Jeferson Nacif, Head, International Affairs Office, ANATEL
