Subject: **Regional Development Forum (RDF-AMS), 28 February 2017, and Regional Preparatory Meeting (RPM-AMS) for the World Telecommunication Development Conference 2017 (WTDC-17) for the Americas, 1-3 March 2017
Asunción, Paraguay**

Dear Sir/Madam,

I am pleased to invite you to participate in the Regional Preparatory Meeting for the Americas region (RPM-AMS) for the World Telecommunication Development Conference 2017 (WTDC-17) which will take place in Asunción, Paraguay, from 1 to 3 March 2017, at the kind invitation of the *Comisión Nacional de Telecomunicaciones (CONATEL)* of Paraguay.

In line with Resolution 31 (Rev. Hyderabad, 2010), the Regional Preparatory Meeting aims at engaging the membership in the WTDC-17 process in order to achieve regional coordination before the conference. It also seeks to identify issues at the regional level, that need to be addressed to foster the development of telecommunications/ICTs, taking into account the most pressing needs faced by the Member States and Sector Members of the region.

RPM-AMS is expected to identify priority areas which are essential for the telecommunication/ICT development of the countries of the region. To this end, and to facilitate effective preparations by the ITU membership, a draft RPM-AMS agenda has been prepared and can be found in **Annex 1**.

Members participating at this meeting will also be able to review and provide input on the preliminary draft ITU-D contribution to the ITU Strategic Plan for 2020-2023, preliminary draft ITU-D Action Plan 2018-2021, and preliminary draft WTDC-17 Declaration ahead of WTDC-17. These documents, which will be available on the [RPM-AMS website](#), are intended to assist in the written formulation of the issues and priorities for each region.

The RPM-AMS will be preceded by the Regional Development Forum for the Americas region (RDF-AMS) at the same venue, on 28 February 2017. Regional Development Forums provide an opportunity for high-level dialogue, cooperation and partnerships among telecommunication/ICT policy-makers, regulators, industry, academia, regional and international development agencies and organizations on specific regional telecommunication/ICT issues. They serve as a platform for assessing strategic orientations that may have an impact on BDT's regional work plan in between world telecommunication development conferences. A draft **agenda** for RDF-AMS will be available soon on the RPM-AMS [website](#).

Annex 2 to this letter provides detailed information about the submission of contributions, registration, fellowships and all the basic information to allow you to participate and make the best of these two events.

Please be informed that for the first time sponsorship opportunities will be proposed for activities taking place during the RDF in order to enhance visibility and contribute to achieving the Sustainable Development Goals (SDGs). Details on these opportunities and related benefits will be available soon online at: <http://www.itu.int/go/itudsponsorships>. If you have any questions relating to sponsorship issues, BDT remains at your disposal and can be contacted by e-mail: bdtpartners@itu.int.

Should you require any further information, please contact:

Venue

The venue for the two events will be communicated at a later date. All information will be available on the RPM-AMS [website](#).

Registration and visa support

Pre-registration will be carried out exclusively online through the Focal Points designated by each administration and entity entitled to participate. Online registration will open on **18 July 2016** at the following website: <http://www.itu.int/go/regitud>.

On-site registration will begin on Monday, 27 February 2017 at 1400h at the venue of the event. Pre-registered delegates will only need to bring their letter of confirmation and a photo ID (passport, driving licence, etc.). **Any participant registering directly on-site must present a letter of accreditation from their respective Designated Focal Point.**

The role of a Designated Focal Point (DPF) is to handle registration formalities for his/her respective administration/entity. The list of DFPs can be accessed using a TIES log-in at [this address](#).

When needed, visa support must also be requested to the host country by the Designated Focal Point. The contact details for the person from the host country dealing with visa support are:

Ms Liliana Zena
Chief, Protocol Unit
International and Inter-Institutional Management
Comisión Nacional de Telecomunicaciones (CONATEL)
Tel.: +595 21 438 2635
Fax.: +595 21 451 029
E-mail: lzena@conatel.gov.py

Please allow enough time for the visa to be processed. Additional information concerning visas is available from the RPM-AMS [website](#).

If your Administration/Entity does not have a Designated Focal Point or wishes to modify the contact details and/or change the Designated Focal Point, you are kindly requested to send an official letter from an authorized official to the BDT Meetings Registration Service (by fax to +41 22 730 5545/+41 22 730 5484 or by e-mail to: BDTMeetingsRegistration@itu.int) providing the updated details: the person's family name, given name and e-mail address.

Participation fees

No participation fee is required for these events. However, all participants are to cover their own expenses for travel, accommodation and insurance.

Fellowships

Within the budget available, one fellowship per country may be granted to participants from countries with a GDP per capita less than USD 2 000, with priority to least developed countries (LDCs), on a first-come, first-served basis.

Fellowship applications, limited to one full or two partial fellowships per eligible country, must be authorized by the relevant Administration of the ITU Member State and be submitted before the deadline (**1 February 2017**).

In order to maximize the participation of eligible Member States within the very limited budget, and taking into account the potentially large number of fellowship requests, an appropriate **daily subsistence allowance** intended to cover the cost of accommodation; meals and miscellaneous expenses will be provided. If applicable, ITU will also provide **an economy class air ticket by the most direct route**.

Please note that you will only receive the fellowship request form after your registration has been submitted.

The **approved and signed fellowship form(s)** must be returned to the Fellowship Service no later than **1 February 2017**.

Forms received after the deadline will not be considered.

Contributions

Your contributions to the Regional Preparatory Meetings are the basis of its work.

Contributions must be submitted using the **online template** available at the [RPM-AMS website](#) in the languages of the meeting. Please attach the original Word version of your contribution to the online submission form to ensure that all hyperlinks, graphics and tables are correctly displayed.

In accordance with provision 12.1 of WTDC Resolution 1 (Rev. Dubai, 2014), the deadlines for the submission of contributions have been set as follows:

Dates of events	Deadline for submission of contributions with guaranteed translation	Final deadline for submission of contributions
RDF: 28 February 2017 RPM: 1-3 March 2017	30 January 2017	15 February 2017

Languages

Both events will be conducted in English and Spanish. Simultaneous interpretation will be provided into those languages.

Documents received within the deadlines will be translated into English and Spanish, as per provision 12.1 of WTDC Resolution 1 (Rev. Dubai, 2014) (30 days before the start of RPM-AMS).

Paper policy and access to documents

Please note that both events will be **paperless**: all material, including contributions and presentations, will be available at the RPM-AMS [website](#)

It is to be noted that a TIES account will be required to access documents for RPM-AMS. If you do not yet hold one, you may request it at <http://www.itu.int/TIES/>.

Delegates are urged to bring their laptops in order to download all documents locally and to access the website for new documents.

The “**ITU-D Event**” application will be available, both for mobile devices and for computers, from the [RPM-AMS website](#), as will a **synchronization tool**.

Practical information

Information on available hotels near the venue of the events, as well as practical information is available from the RPM-AMS [website](#).
