📌 1. General information

Dates: From Tuesday 01 July to Friday 04 July 2025

Venue: The ITU-INTERPOL regional cyberdrill for Africa- 2025 will be held at Grand Hotel de Kintélé. An architectural gem nestled in a green setting facing the Congo River, the International Conference Center and the Grand Hotel de Kintélé are located in the heart of Brazzaville's new avant-garde Kintélé district, 25 minutes from Maya-Maya.

Organizers:

- International Telecommunication Union (ITU);
- INTERPOL
- Ministry of Posts, Telecommunications and Digital Economy;
- National Agency for the Security of Information Systems (ANSSI)
- African Centre for Research in Artificial Intelligence (CARIA)

Visa: All visitors traveling to the Republic of Congo must hold a valid passport. Visa requirements vary depending on the traveller's nationality and country of origin. Delegates are advised to consult the relevant authorities in their respective countries for up-to-date information on visa requirements for the Republic of Congo prior to travel.

For participants from countries without a Republic of Congo diplomatic mission, entry visa facilitation will be provided upon presentation of the official invitation letter. Special airport visa waivers will also be arranged in such cases to ensure smooth entry.
