

International Girls in ICT Day will be celebrated globally on April 28th, 2016. The community is invited to participate in our efforts to encourage, foster, and mentor our young women to consider ICT as a career path, to grow in the ICT industry, and to eventually take on leadership positions. Let us celebrate the inspiring ICT women who are in our midst! Happy Colouring!

Laura Weidman

CEO, Code 2040

Kimberly Bryant
Founder, Black Girls Code
