Subject: **Roundtable on the Reconstruction of Haiti's Telecommunications Sector, Bridgetown, Barbados, 29-30 June 2010**

Your Excellency,

I have the honour to inform Your Excellency that the International Telecommunication Union and the Government of Haiti will be organizing a Round Table on the Reconstruction of Haiti's telecommunications sector in the aftermath of the January 12, 2010 earthquake, with its development partners on June 29-30, 2010 in Bridgetown, the capital of Barbados. The Round Table has the support of the Government of Barbados and that of the Caribbean Community (CARICOM).

On behalf of the International Telecommunication Union, I have the honour to invite Your Excellency's organization to participate in the forthcoming Round Table Meeting for Haiti.

The International Telecommunication Union attaches high importance to the Round Table Meeting as it provides an opportunity for the ITU to engage our development partners in meaningful discussions.

The International Telecommunication Union would be most appreciative and grateful should you or your representative attend this important event and contribute towards the socio-economic development through the reconstruction of the telecommunication sector of Haiti.

I look forward to participation by Your Excellency's organization in the Round Table. Additional information will be posted at: www.itu.int/itu-d/emergencytelecoms/events/roundtable.

The final agenda and documents for the meeting will be provided at the meeting.

Please accept, Sir/Madam, the assurances of my highest consideration.

[originally signed]

Dr. Hamadoun I. Touré
