

Discussion Questions

ITU/Ghana

Child Online Protection (COP) Forum
*as Part of Ghana's National Cyber Security Awareness Month
(NCSAM)*

Accra, Ghana
28-30 October 2019

Experiences

- What do you consider to be your best experience online?
- What are you afraid of happening online?

Unexpected Content

- If you found a bad photo of a friend or relative online, what would you do?
- What does “bad photo” mean to you?
- Have you received friend requests from people you do not know?
- Have you ever seen unsolicited pornographic material online? What did you do?

Online Abuse

- Tell me about a time you saw someone being mean online to someone you know. What happened?
- What do you think could have prevented this from happening?
- What do you think could have made it less bad?

Enforcement

- Do you have a place to report content you're uncomfortable about online?
- What would make you use it?

Service Providers

- Have you ever contacted an internet service provider for help?
- What happened?

Film Classification

- What do you think of film classifications?
- Are they effective?

Access and Age

- Have you ever seen a website or application that required you to be of a certain age to use it?
 - Were you of age?
 - If not, what did you do?
- Do you think there's any content on the internet you shouldn't be allowed to access?
 - Would you try to access it anyhow?

Adult Permission

- Have you ever had to get a parent's permission to use a website?
- What did you do?

Password Management

- How do you create your passwords?
- Do you reuse them?
- Have you ever shared them?

Online Engagement

- Do you feel you have the technology to effectively use the internet?
- Which platforms do you use?

Internet Safety

- What does “internet safety” mean to you?
- What could adults do to promote internet safety?
- What can children do to promote internet safety?
- From where have you learned what you do to stay safe online?
