Dear Mr. Andrew Rugege,

**RE: REGIONAL CONFERENCE ON AFRICA CHILD ONLINE PROTECTION**

The Uganda Communications Commission (UCC) is hosting the Regional Conference on Africa Child Online Protection (ACOP) scheduled for 15<sup>th</sup> & 16<sup>th</sup> December 2014 at the Speke Resort, Munyonyo.

UCC is looking forward to receiving participants from Africa and beyond. The participants will each be expected to purchase an entry visa into Uganda. The visa can be acquired from the point of entry, Entebbe Airport or any border station at \$50 per individual for a single entry. For countries exempt from entry visas please refer to the information pack on Uganda.

The Commission has organised a hospitality team to handle the arrival and departure of the delegates as per their itineraries. To this end a foyer and reception desk will be set up at Entebbe airport to allow for a smooth coordination of the delegates reception.

For further information, please contact our International Relations Officer (Ms. Josephine Akulia on Tel: +256(0)782722222 and Email: [jakulia@ucc.co.ug](mailto:jakulia@ucc.co.ug))
