

PRELIMINARY AGENDA

Monday, 18 August 2014 (Day 1/2)	
8:30 to 9:00	<i>Registration and Reception</i>
9:00 to 9:30	<p>Opening Remarks ASEP Representative AHCJET Representative ITU Representative</p>
9:30 to 11:00	<p>Work @ ITU and industry challenges This session discussions will promote ITU activities around standard development and definitions regarding the efficient use of radio spectrum and reflection of standardization process in the future activities of the industry. Likewise, the activities in the framework of direct support or ITU assistance to the countries of the region from the ITU Regional Office and Area Offices will be addressed.</p> <p>Moderator: Randall TREVINO</p> <ul style="list-style-type: none"> • Challenges of the Industry, Mr. José F Otero, Director Signal Telecom News (Confirmed) • Promoting the common interest of the industry to move forward in the development of digital connectivity, Mr. Pablo Bello, General Secretary of AHCJET (Confirmed) • ITU-R: IMT and spectrum for mobile broadband wireless access: Mr. Colin Langtry, Head of Radiocommunication Study Groups Department (SGD) (Confirmed) • ITU-D: ITU Regional activities to support the Countries in the AMS Region, Mr. Randall Trevino, Senior Advisor, ITU Americas Regional Office, Representative BDT, (Confirmed)
11:00 to 11:30	<i>Coffee Break</i>
11:30 to 13:00	<p>IMT Technologies This panel will discuss current and future standards for IMT technologies and its applications in broadband solutions in order to promote and facilitate the reduction of digital divide.</p> <p>Moderator: Colin LANGTRY</p> <ul style="list-style-type: none"> • Are we bridging the standardization gap in mobile broadband , Mr. Rubens Fujiki Maeda, CPqD, Brazil, (Confirmed)

**Regional Forum for AMS Region:
IMT Systems - Technology,
Evolution and Implementation
Panama, 18-19 August 2014**

	<ul style="list-style-type: none"> • 3G, 4G, where is the region standing? 4G Americas, Mr. Bob Calaf, Director for Latin America and the Caribbean, 4G Américas (Confirmed) • IMT: Mobile Broadband, Solutions and Applications, Mr.. Francisco Soares, QUALCOMM (Confirmed) • LTE deployment (Cable and Wireless, Panama (TBC))
13:00 to 14:00	<i>Lunch Break</i>
14:00 to 15:30	<p>IMT Regulatory Issues In this session standard implementation case studies for mobile services, applications and antenna regulations to improve and stimulate a quality of service evolution and competition increasing will be treated.</p> <p>Moderator: Colin LANGTRY</p> <ul style="list-style-type: none"> • Mobile service as public service, Mrs. Daniela Apuzzo, Telefónica de Argentina S.A (TBC) • Quality of Service issues, Mr. Glenn Fallas, General Director, SUTEL, Costa Rica (Confirmed) • Competition (IFT Instituto Mexico), Ms. Adriana Labardini, IFT México (Confirmed) • Antennas Regulation. Mr. Raúl Ricardo Pérez-Reyes Espejo, Deputy Minister of Telecommunications, Perú (Confirmed)
15:30 to 16:00	<i>Coffee Break</i>
16:00 to 17:30	<p>Round Table discussion on Regulatory issues This session is dedicated to present a particular vision from the perspective of high-level representatives of the region, on aspects of technological development and the future of government activities in the telecommunications sector.</p> <p>Moderator: Randall TREVINO</p> <ul style="list-style-type: none"> • Mr. Raúl Ricardo Pérez-Reyes Espejo, Deputy Minister of Telecommunications, Perú (Confirmed) • Commissioner Ms. Adriana Labardini Inzunza, IFT , México (Confirmed) • Mr. Allan Ruiz Madrigal, Deputy Minister of Telecommunications, Costa Rica (Confirmed)
Tuesday, 19 August 2014 (Day 2/2)	
9:00 to 10:30	<p>700 MHz Band This session will open the opportunity to exchange experiences on the topic of</p>

**Regional Forum for AMS Region:
IMT Systems - Technology,
Evolution and Implementation
Panama, 18-19 August 2014**

	<p>transition from analog to digital and the releasing of the 700 MHz band, and its impact on the countries' regulations, technical characteristics and implementation aspects of national legislation related.</p> <p>Moderator: Randall TREVINO</p> <ul style="list-style-type: none"> • Analog to Digital transition and 700 MHz band. Setting the pace. Mr. Allan Ruiz Madrigal, Deputy Minister of Telecommunications, Costa Rica (Confirmed) • Approach to 700 MHz band planning and follow-on bands for IMT. Mr. Kirk Sookram , Manager Spectrum Planning , Management and Monitoring Telecommunications Authority of Trinidad and Tobago, (Confirmed) • 700 MHz Band Compatibility 4G/Digital TV, Mr. Haroldo Pazzini Motta, ANATEL, Brazil (Confirmed)
<p>10:30 to 11:00</p>	<p><i>Coffee Break</i></p>
<p>11:00 to 12:30</p>	<p>Preparatory activities for WRC-15 This session will be focused on specific points on preparatory aspects for WRC-15 and its regional implications, the preparatory work done by ITU, countries and industry.</p> <p>Moderator: Randall TREVINO</p> <ul style="list-style-type: none"> • Remote participation, Mr. Luis Lucatero, IFT, Mexico (Confirmed) • Preparatory Studies for WRC-15 and Joint Task Group 4-5-6-7, Mr. Colin Langtry, ITU BR Representative (Confirmed) • Needs of Frequency Attribution and Spectrum for IMT (GSMA LA) (Confirmed) • L Band: Harmonization Opportunities in Latin America, QUALCOM, Geraldo Neto (Confirmed)
<p>12:30 to 12:45</p>	<p>Closing Remarks ASEP Representative Mr. Raúl Ricardo Pérez-Reyes Espejo, Deputy Minister of Telecommunications, Perú Mr. Allan Ruiz, Deputy Minister of Telecommunications, Costa Rica ITU Representative</p>
