Our Vision:

Create technology that makes life better for everyone, everywhere.

Our Mission:

Engineer experiences that amaze.

Empowering people everywhere to thrive:

- Enable better learning outcomes for 100 million people by 2025, since the beginning of 2015.

One of our priorities is to accelerate economic opportunities.

Enable people at all levels to build skills to improve their employability

Empower employees to make loans to micro-entrepreneurs

Provide free, self-paced online business and technology skills courses

Innovate ways of doing business to open new market opportunities and drive inclusion

Entrepreneurship

Accelerate economic opportunities. By reinventing job-skills training, and providing educational opportunities, HP helps students, the unemployed, small businesses, and would-be entrepreneurs gain practical business and IT skills and connect to new economic opportunities.

HP LIFE

To bridge the “**digital divide**” we provide core business and IT skills free of charge for start-ups, students, and small businesses through **HP LIFE**

27 e-learning courses with **24/7 access**

Target: **1 million** aspiring entrepreneurs enrolled between **2015 - 2025**

Matter to a Million

Through this program HP employees can:

- Give people access to the capital they need to build a brighter future
- Improve a family's quality of life while making their dreams come true
- Help businesses and economies thrive
