

Maria E. Myers Hamilton

Managing Director of Spectrum Management Authority (SMA)

Maria E. Myers Hamilton is the Managing Director of Spectrum Management Authority (SMA) which is an agency of the Ministry of Science, Energy and Technology. The SMA is the national regulator for the radio frequency spectrum and, as such, is an advisory body to the Minister with principal responsibility for the telecommunications who has the responsibility for the regulation of the spectrum under the Act. Mrs. Myers Hamilton holds a B.Sc. in Management Studies from the University of the West Indies (Major Finance). An MBA from the Nova South Eastern University in International Banking (Minor) and also an EdD in Instructional Technology and Distant Learning also from Nova Southeastern University, Fischler School of Education (Transformational Leadership). Her experience over the last decade spans a cross section of industries. She had roles such as: Director, Cross Sectoral Coordination, Early Childhood Commission; Consultant, IT and Operational Lead for a Credit Bureau Operation; Chief Executive Officer (CEO), CaribbeaniSchool (CiS) Limited; Senior Consultant, Strategic Planning & Operations, Lignum Systems Limited; Director, Information Systems – Jamaica Public Service Co.; Manager, Business Development, and Research. She has written several research papers, her latest being: Handbook of a Learning Organization (2016) The Handbook was created in the vein of the Peter Senge's vision of a learning organization which is a group of people who are continually enhancing their capabilities to create what they want to create and has been profoundly influential.
