★ Key Words for the Future**★**

- Collaboration
- Globalization
- High Touch Technology
- Story & Contents

Wayne Gretzky (1961~)

NHL Hockey Player with most goals of 894 in 1,487 games

You miss 100% of the shots you never take

I'm not following a puck, rather
I am rushing to where a puck
will go

Hellen Keller(1933)

Three Days To See

Now and then I have tested my seeing friends to discover what they see. Recently I asked a friend who had just returned from a long walk in the woods, what she had observed.

Teacher: Anne Sullivan Macy

"Nothing in particular," she replied. How was it possible?

What is ITTP/ITPP?

Scholarship Program for Master and Ph. D. Study

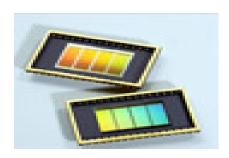

● Global IT Technology Program (ITTP) of KAIST and Global IT Policy Program (ITPP) of Seoul National University(SNU) are international scholarship and education programs sponsored by Ministry of Science, ICT and Future Planning, Republic of Korea.

Initiative of ITTP/ITPP

"Why Korean government initiated ITTP&ITPP?"

- To improve the living condition of all the countries.ICT is a major source of innovation and development
- To enhance the Digital Opportunity of all the countries. ICT means sharing literally.
- To provide mutual benefits to all the countries.
 Collaboration is a key paradigm in the global stage.

Program Overview – ITTP/ITPP

- Title: Global IT Technology Program (ITTP)
- Started from 2006 at KAIST
- Post-graduate program (Master's/Doctoral Degree)
- 123 fellows from 53 countries (as of 2013)
- Mainly educating IT professionals holding engineering background

- Title: Global IT Policy Program (ITPP)
- Started from 2003 at SNU
- Post-graduate program (Master's/Doctoral Degree)
- 91 fellows from 36 countries (as of 2013)
- Mainly educating IT professionals based on public governance and management of ICŢ.

Program Overview – ITTP/ITPP

- Living cost (Appx. \$1,500 per month)
- Initial moving and re-location expenses
- Medical insurance

Program Overview – ITTP

Number of Students by Region & Occupation

Classification by Region

Region	No. of Students	No. of Countries	Country
Asia	43	13	Vietnam, Mongolia, Laos, Bangladesh, Pakistan, Nepal, Indonesia, Thailand, Bhutan, Sri Lanka, Afghanistan
Africa	44	21	Nigeria, Morocco, Egypt, Tunisia, Algeria, Ghana, Kenya, Ethiopia
East Europe & CIS	14	7	Uzbekistan, Azerbaijan, Czech Republic, Bulgaria, Moldova, Kazakhstan, Kyrgyz Republic
South America	15	7	Chile, Costa Rica, Brazil, Ecuador, Peru, Colombia, Dominique Republic
Middle East	7	5	Jordan, Yemen, Syria, Oman, Qatar
Total	123	53	

Classification by Occupation

Occupations	Number of Students
Government Officials	69
Professors in National University	21
Researchers	18
National Telecom Employees	14
Total	123

Features of Program (ITTP @ KAIST)

Regular Course I Curriculum

> Acquire extensive knowledge in all the IT fields from 12 different professors every week

Major Electives

➤ Learn one specific IT field such as BcN or Wireless intensively from 2 or 3 professors' co-teaching

Common Basics

➤ Accumulate general knowledge about Korean, English & Culture & History

Features of Program (ITTP @ KAIST)

Regular Course I Curriculum

Items	Course Title		
Common Basics	Korean Language I, II, III, IV		
Common basics	Korean History and Culture I, II, III		
	English I, II		
	Advanced Technical Writing		
	Taewkondo I, II, III, IV		
Major Electives	Wireless Communications Technology in Korea		
iviajoi Lieutives	Ubiquitous Computing in Korea		
	BcN Technology in Korea		
	Multimedia Technology in Korea		
	Software Engineering in Korea		
	ICT Economics and Management		
	Internet Business and Management		
	IT Technology Management and Policy		
	Strategy and Organization in Venture Business		
	Financial and Accounting Management in IT Policy		
Major Requirements	Introduction to the Latest IT Technology R&D in Korea		
	Introduction to IT Technology Management/Policy in Korea		
	Seminar I, II, III		
Research	Country Report for Non-thesis		
	Research for Thesis		
	Research for Ph.D Dissertation		

Weekly Seminar (ITTP @ KAIST)

- Held 8 times per spring/fall semester
- Invite Korean IT professionals
- Provide network opportunities w/ Korean industries
 - : FKT, MIC, Samsung, LG, ETRI, etc
- Cover a variety of practical topics
 - : E-Government, ISP, Software, Security, Global Leadership

Internship (ITTP @ KAIST)

Internship Program at ETRI & Public Procurement Service

- √ 8 weeks during summer semester
- ✓ Assigned to Research teams of interest
- ✓ Advisor & Mentor per student Assigned
- ✓ Close Network with Researchers
- ✓ Global Day

Korean Culture Experience Program (ITTP @ KAIST)

Korean Language

- ✓ From Beginner level to Advanced level
- ✓ Speaking, Listening, Reading, Grammar
- ✓ Take 5 courses in the 1st year, 2 courses in the 2nd year

Korean Culture and History

- ✓ From old dynasty to Modern Korea
- ✓ Intensive discussion about development of Korea
- Korean Culture Tour / Industry Visits

Features of Program (ITTP @ KAIST)

Special Programs I KAIST O.N.E

15

KAIST O.N.E (Overseas Networking Exchange) :

Countries' Culture Introduction Every Other Week

"Importance of Global Human Network"

Networked with "Top of the Korean IT Experts"

Networked with
"IT Officials from
All over the
World"

Become a
"Global IT
Leader" with
Strong IT
Human
Network

Global ICT Seoul Forum

● ITTP/ITPP network is not terminated with graduation, but sustained even after the graduation. Even when students return to their countries after graduation, the Human Network structured in the ITTP/ITPP program contributes to international cooperation as the basic ITTP/ITPP network.

Building Partnership

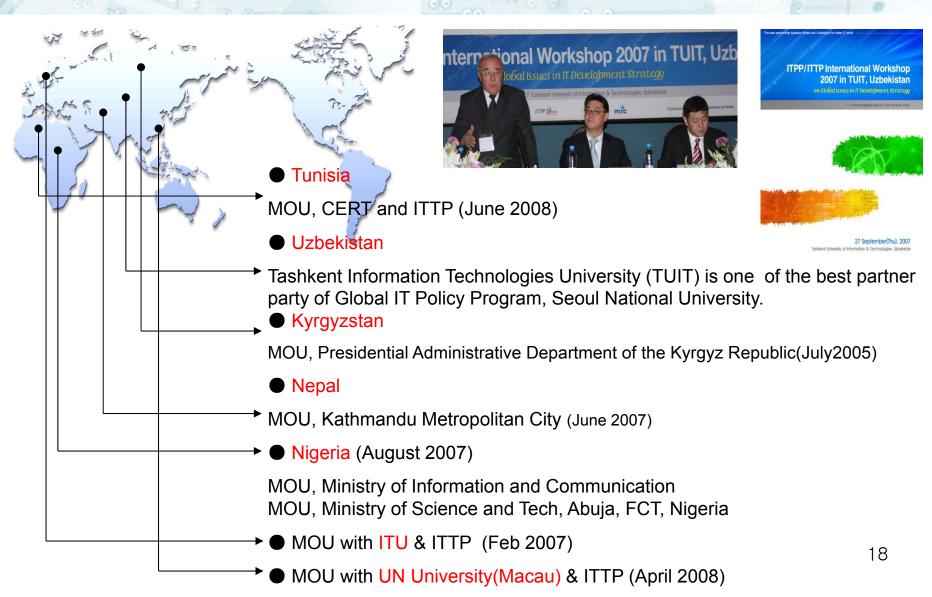

- -with Korean IT industry experts & Alumni
- -through sharing collaboration experiences
- -in Seoul every year

KAIST ITTP Forum

ITTP network will be tightly formed and strengthened through ITTP Forum(Global Alumni Network) held once a year even after graduation.

Global Partnership I MOU

Global Partnership I Consigned Education

How to Apply

Qualifications

Possible Candidates

- √ Government officials
- ✓ Professors in national universities
- √ Researchers or experts in national institutions
- ✓ITU members

Employees from private companies cannot apply!

Qualifications

- ✓ Engineering Background
- ✓ English Score or English Medium
- ✓ Nomination by government and Korean embassy

Critical Success Factors

Vision & Commitment

About Leadership Program

Smooth Coordination

Among ITU, and KAIST/SNU

Best Qualified Fellows

With Strong Advertisement Effort

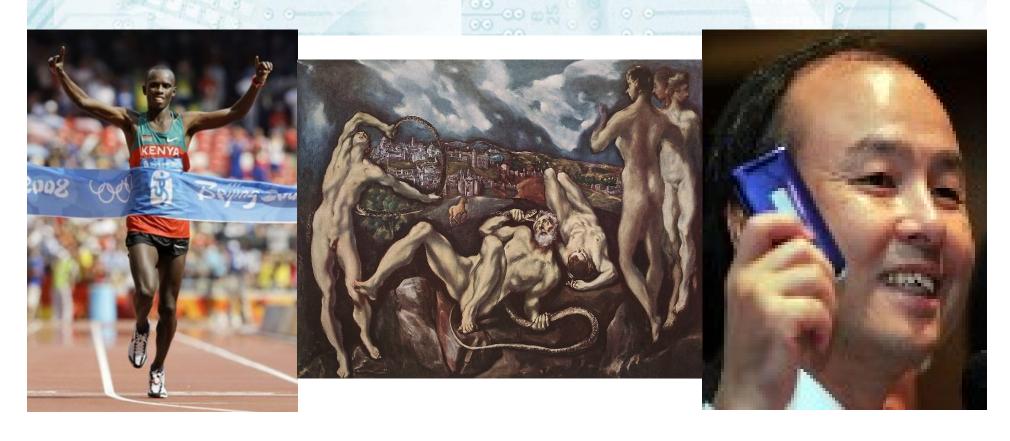

Excellency of Education

Through Unique and Customized Education

Continuity of the Program

Until reaching critical mass of fellows

What's in Common?

Samuel Kamau WANJIRU (Kenya, Japan)

El Greco "Laocoon" 16C (Greece, Italia, Spain)

SON Masayoshi (Japan, USA, Korea)
