A screenshot of the ZiGY website. The top navigation bar includes "Home", "News & Promo", "Product", "Safe Surfing", "Support", "Registration", "Contact us", and "Login". A banner on the left says "WE ARE ALL RESPONSIBLE FOR MAKING THE INTERNET A BETTER PLACE FOR CHILDREN". The main content features a cartoon boy with a laptop labeled "SMART INTERNET" and a cloud of icons. A "REGISTER NOW" button is visible. The bottom section is for the "kākātu" app, with the tagline "One Click to Protect and Educate Your Children Through Gadget". It includes a download link and a "Learn More" button.

Indonesia Needs Roadmap / Guidelines

Output of the Roadmap / Guidelines

- Establish a **common reference point** and guidance to the relevant Indonesian Internet stakeholders.
- Provide guidance to stakeholders on **identifying, preventing and mitigating** any adverse impacts of Internet on children's rights.
- Provide guidance to stakeholders on identifying ways in which they can promote children's rights as well as responsible **digital citizenship** (digital literacy) among children.
- Suggest common principles to form the **basis of national commitments** across all related stakeholders, while recognizing that different types of stakeholders will use diverse strategy and implementation.
