

## **Brad Partridge**

Mr. Partridge has over 30 years' experience in the ICT industry, predominantly in telecommunications and consulting. During his career he has worked for both Australian Federal and State governments, Regulatory bodies, major corporate entities and telecommunications carriers. Mr Partridge has been working in the Pacific region for over 6 years, initially with Digicel and now with the Telecommunications and Radiocommunications Regulator of Vanuatu. In his role at the Regulators Office Mr Partridge oversees the technical and market competition sectors and has been responsible for the implementation of the Government of Vanuatu's Universal Access Policy, effectively working towards mobile and broadband coverage to 98% of the population of Vanuatu.
