The Changing Scene: Role of the Governments

- The world is going through the fourth industrial revolution. To take full advantage of the revolution. There is a **need to be on the same page.**
- Think of the bigger picture: Improving the lives of citizens
- Challenges:
 - Out dated policies, rules, regulations, procedures
- Basic Principles:
 - **Enabling environment and lead by example**
 - Ease of doing business
 - Open, Inclusion of all (financial and otherwise), ready to change
- Government enabled Initiatives from Pakistan:
 - Improved Connectivity, ICT for girls, PWDs, Financial Inclusion, Incubation/Innovation Centers through PPPs
