Subject: **Workshop on Spectrum Management and Harmonized use of Spectrum Resource,  
28 – 30 November 2017, Nadi - Fiji**

Dear Sir/Madame,

I have the pleasure to invite your organization to participate in “**Workshop on Spectrum Management and Harmonized use of Spectrum Resource**” which will be from on 28<sup>th</sup> to 30<sup>th</sup> of November 2017 in Nadi, Fiji.

The workshop is being organized by International Telecommunication Union (ITU) with support from Ministry of Justice and Communications – Fiji, Asia-Pacific Telecommunity (APT) and Pacific ICT Regulatory Resource Center (PIRRC). The workshop is also supported by Ministry of Science, ICT and Future Planning (MSIP) – Republic of Korea.

The objective of this workshop is to highlight the importance of Spectrum management for ICT development and emphasize the need to adopt harmonized solutions to issues related to technological advancement and spectrum availability for future IMT systems. The provisional program and other relevant information including the registration, contacts of focal points and **targeted fellowships information** from supporting agencies of the event, could be accessed at: <http://itu.int/go/P-HSU>

The workshop is targeted towards the capacity building of senior officials from Policy making organizations, Regulators, Industry, National Spectrum Managing organizations, and academia involved in developing policies, regulations, operations, strategies and other associated development activities related to Spectrum Management within the Pacific Region.

The workshop would be followed by a training program on APT Frequency Information System (AFIS) organized by APT on 1<sup>st</sup> of December 2017.

For any further information, **Mr. Aamir Riaz** ([aamir.riaz@itu.int](mailto:aamir.riaz@itu.int)) would remain at your disposal.

We look forward to active participation from your organization in this important sub-regional event targeted capacity building of ITU membership from Pacific islands.

Yours sincerely,
