4. Mama Access Point (MAP) – Women's Micro Bank
5. MiCash Mobile Wallet

# Proposed DFS Security program

Work closely with the Department of ICT & Bank of PNG to ensure the following are met:

1. Support regulators to implement DFS security
2. Conduct security audits on DFS applications. eg: USSD, Android DFS applications
3. Provide guidance on managing the DFS ecosystem security & mitigation measures
4. Organize security clinics targeting DFS regulators & providers to stay up to date with new vulnerabilities & mitigation measures
5. Conduct assessments on cyber preparedness among the DFS ecosystem stakeholders on responding to cybersecurity incidents targeting DFS
6. Provide a neutral platform to share knowledge on security incidents & vulnerabilities in DFS

# THANK YOU
