

MR. IOANE N. KOROIVUKI

Regional Director
International Telecommunication Union (ITU)
Regional Office for Asia And The Pacific
Bangkok, Thailand

A BRIEF BIO

With more than 30 years' experience in the telecommunications and ICT industry, Ioane has worked in various facets of telecommunications in the areas of voice, data and internet including satellite and submarine cable transmission networks.

A graduate of Coventry University, United Kingdom with an MSc in Telecommunications, Mr. Koroivuki has had various management appointments and was Network Operations Manager, Manager Network and Technology and Chief Executive Officer for Fiji International Telecommunications Limited to the end of 2013.

In 2014, he assumed the role of Regional Director for the ITU Regional Office for Asia and the Pacific in Bangkok, Thailand where he continues to work closely with governments, industry and academia in addressing the developmental and related needs of ITU members in Asia and the Pacific region.
