Phnom Penh, 12206, Cambodia

Session #	Session 1: Overview of P2C Digital Coalition and Cambodia National Digital Transformation Policies
Title of presentation	Digital Government Policy (2022-2035), Cambodia
	H.E Chea Sereyvath Secretary General of Digital Government Committee
	<p>H.E. Chea Sereyvath is the Secretary-General of the General Secretariat of the Digital Government Committee. In his current role, he has made many significant achievements in positioning Cambodia internationally in the technology sector. These achievements include the development of the "QR Stop Covid" system, which won three awards (1) the Cambodia ICT Awards, (2) the ASEAN Digital Awards, and (3) an award from the International Telecommunications Union (ITU).</p> <p>He also led the development of VERIFY.GOV.KH the Cambodian government's document verification platform, that won a gold award for the 2024 ASEAN Digital Awards and the runner up for the WSIS Digital Service Design 2024. As such verify.gov.kh is officially recognized as the most distinguished digital solution for delivering public services, nationally and internationally.</p> <p>With over 22 years of professional experience including working at Google, AWS Webservice and Microsoft as a Regional Solution Architecture Director for Cambodia, Lao, he has led successful digital transformation initiatives and business process automation globally, including Hong Kong, Japan, Korea, Australia, UK, US, and the European Union.</p> <p>Within the Cambodian government, he has led many projects for various entities including the Ministry of Planning, Ministry of Interior, Ministry of Health, and Ministry of Post and Telecommunications.</p> <p><i>His motto has always been, "Never build software; instead, create a solution with ROI."</i></p>
