Subject: **ITU Asia-Pacific Centre of Excellence (ITU ASP CoE) face-to-face training on "Traffic engineering and advanced wireless network planning", 17-19 October 2018, Suva, Fiji**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face **ITU Asia-Pacific Centre of Excellence (ITU ASP CoE) Training on "Traffic engineering and advanced wireless network planning"** to be conducted from **17-19 October 2018 at Suva, Fiji**. This face-to-face training is organized jointly by the International Telecommunication Union, Pacific Islands Telecommunication Association and the Ministry of Digital Economy and Society (Thailand) as part of the Broadband Access programme under the auspices of the ITU Centres of Excellence for Asia-Pacific Region. The training is hosted by the Department of Communication (Government of Fiji) and is supported by the Department of Communications and the Arts (Government of Australia). The training will be delivered in English language. The training will be preceded by the **PITA Telecoms Digital Strategy Forum**, which will be held from **15-16 October 2018** at the same venue.

The focus of this training is to provide senior management and decision makers of ICT entities including governments, regulators, service providers and academia with insight on network planning in the changing telecommunication/ICT technology landscape in the context of the Pacific.

Detailed information on this training is described in the training outline (attached). Updated information can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/> or <http://www.itu.int/itu-d/asp>. Registration for the training should be made online at <http://www.itu.int/itu-d/asp> link no later than **30<sup>th</sup> September 2018**. The registration procedure is specified in the training outline. The training is offered **free** with support of the partners.

Mr. Ashish Narayan, Programme Coordinator ([ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)), ITU Regional Office for Asia and the Pacific is at your full disposal should you require any information.

Additional information on this training, such as an information note for participants, including a list of recommended hotels will be available at the above web links.

We look forward to your active participation and nomination.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Ioane Koroivuki'.

Ioane Koroivuki  
Regional Director  
ITU Regional Office for Asia and the Pacific
