

High Technology Park in the innovation ecosystem of the country

Quick glance at the HTP

The parliament has promulgated special law on the HTP in 2011.

The Government has then established the HTP administration, as a body to manage the IT development process

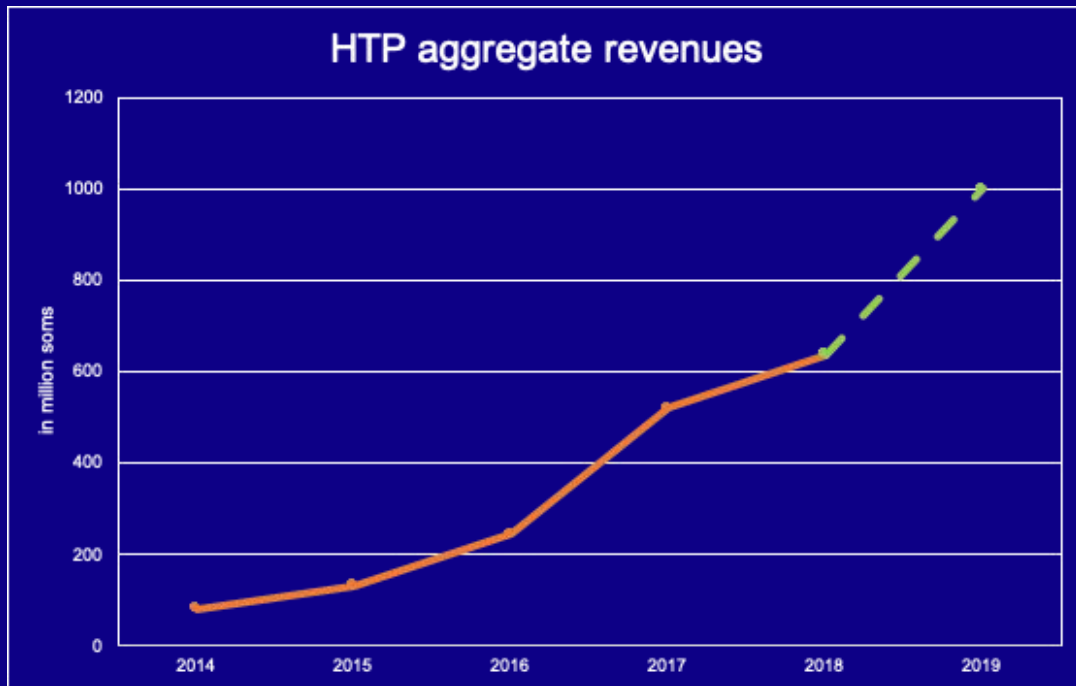

Exemption from the main taxes VAT, Tax on Sales, Tax on Profit. Considerable decrease in income tax and social fund tax

Companies disburse 1% of their revenues towards HTP budget for IT development

HTP companies are dynamically growing

*projected for 2019

- ❖ To date 125 tech companies are registered at the HTP with about 1200 employees
- ❖ Almost 90% of revenues comes as a result of exports
- ❖ HTP exports are done to more than 30 countries

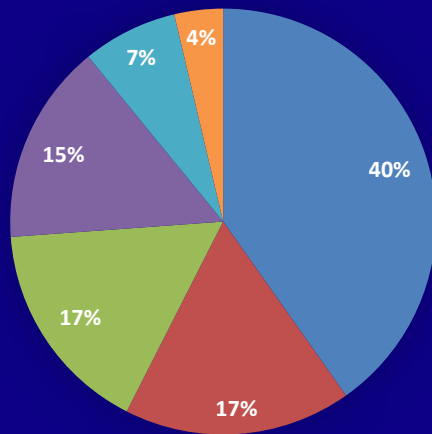

Outcome for 3 quarters 2021

Revenue (soms) 1,357.830,422

67%

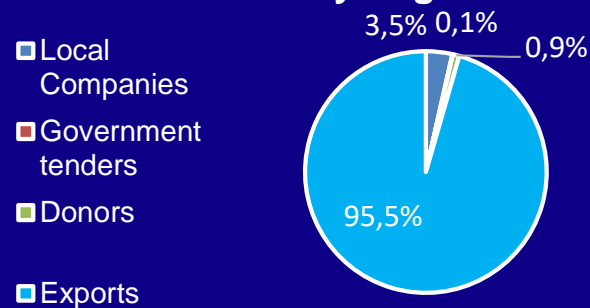

Compared to 3
quarters of 2020
