List online <http://checkers.eiii.eu/en/benchmarking/>

Percentage pass or to be verified of 3 tests on all sites

Percentage of pages with correct language declarations

SC3-1-1-html – Primary language of page

Percentage of links with accessible names

Accessible name for image links [4.1.2] , [F89]

Percentage of image elements with descriptions

Use alt on img elements [1.1.1] , [H37]

Conclusions

- Automated testing to **explore**
 - Status
 - Differences among countries or vendors
- Automated testing for **repeated evaluations**
 - Monitor trends over time
 - Develop or repair web content
- **Combine automated** testing and **manual** testing to
 - Focus manual testing on sites or pages with changes
 - Cover more tests (on fewer pages)
- **Testing on demand** can support
 - **Developers**
 - **Procurement**
