# COMMUNICATION BARRIERS

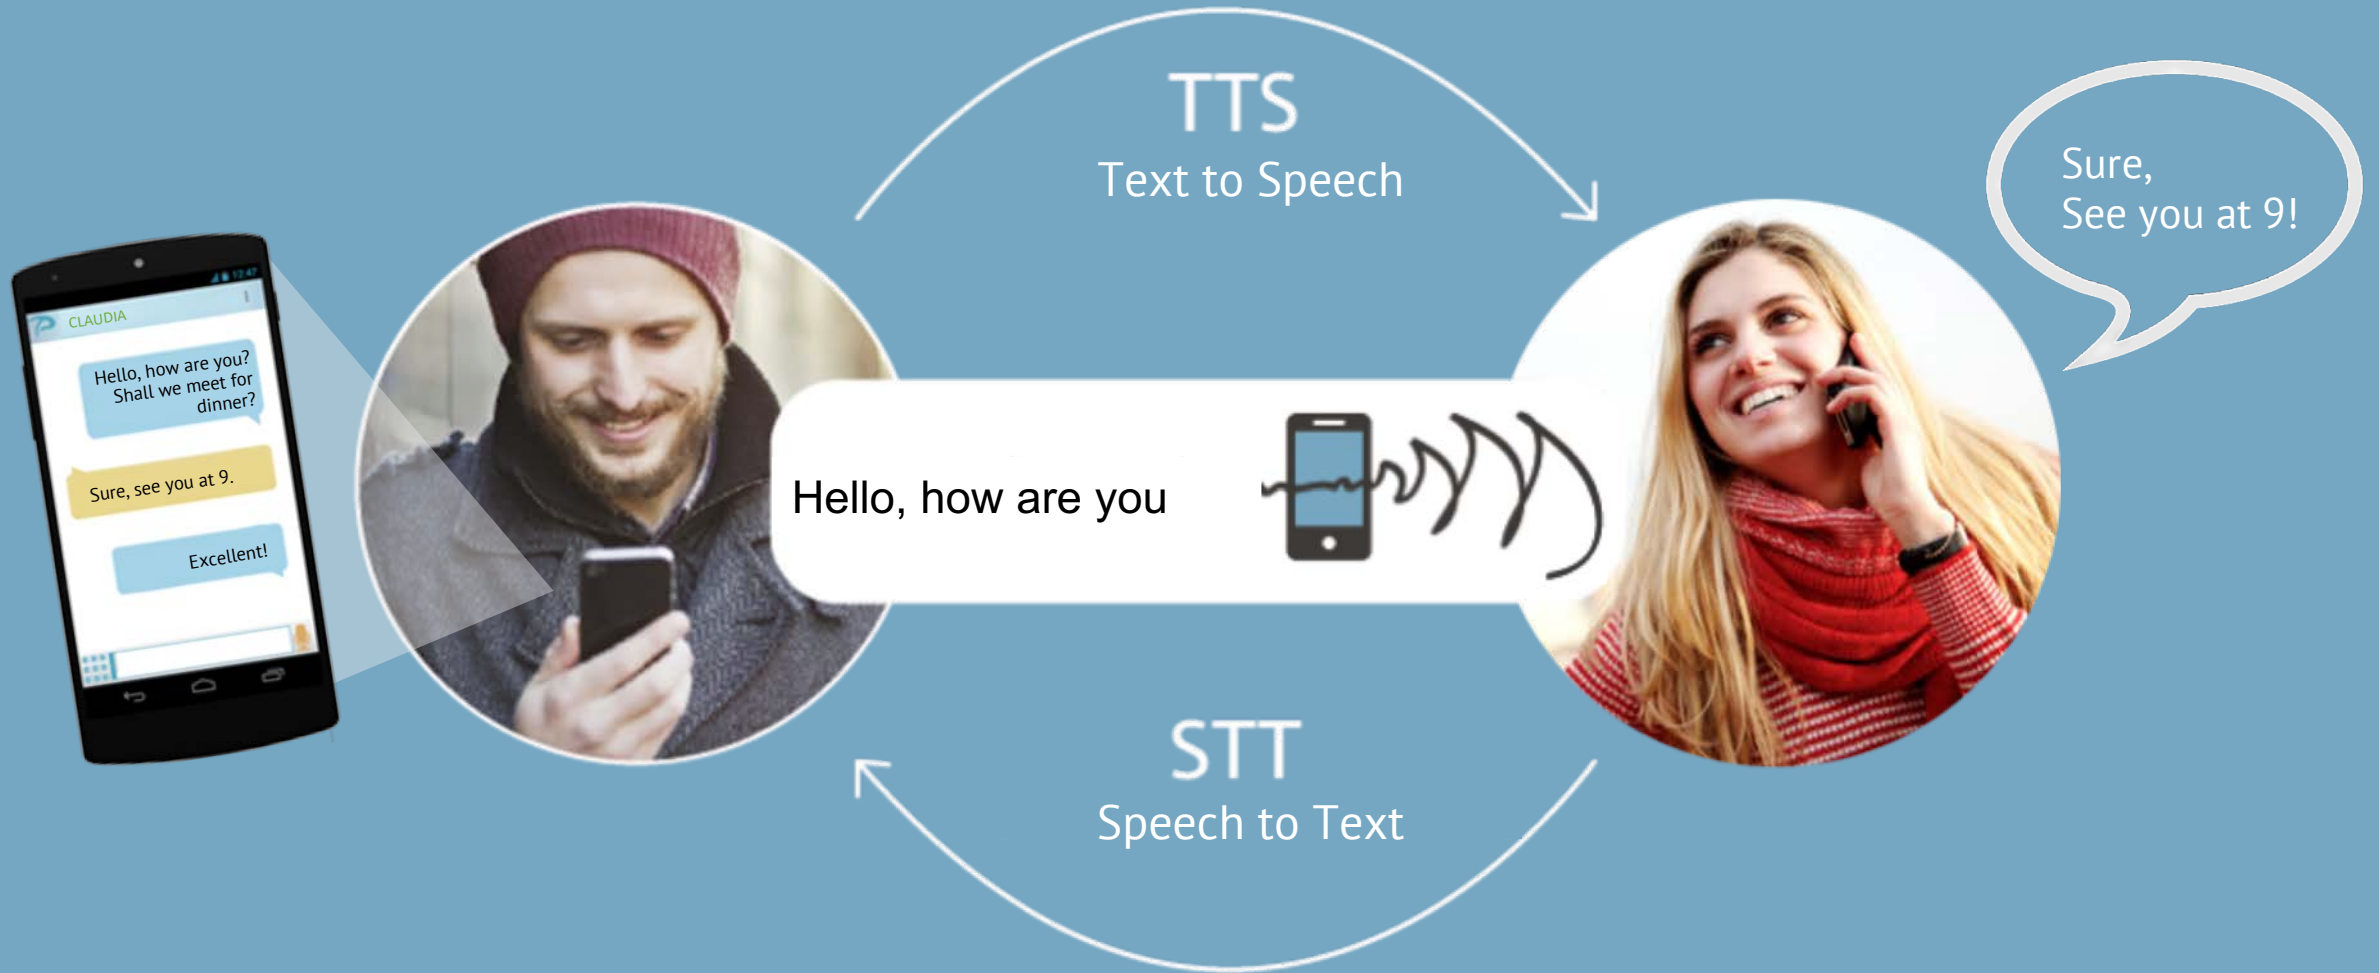

Emergency services, call centers, public offices are **mostly accessible only by phone**:

Pedius helps **companies** overcome **digital barriers**.

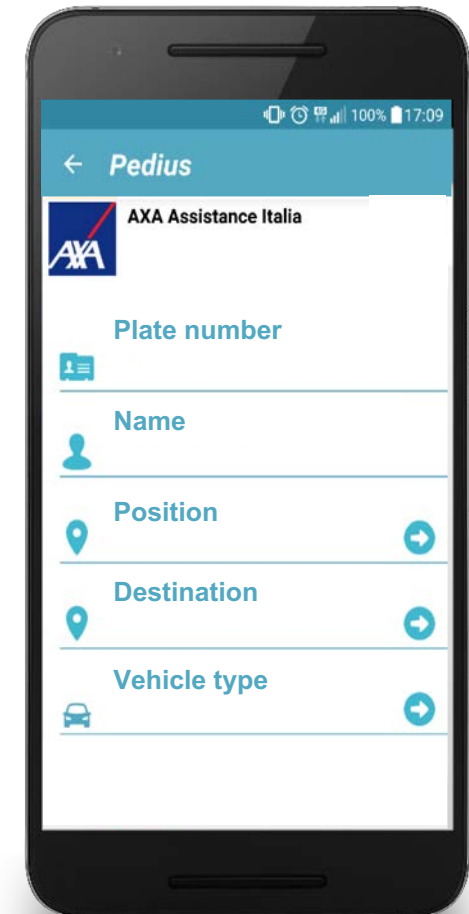

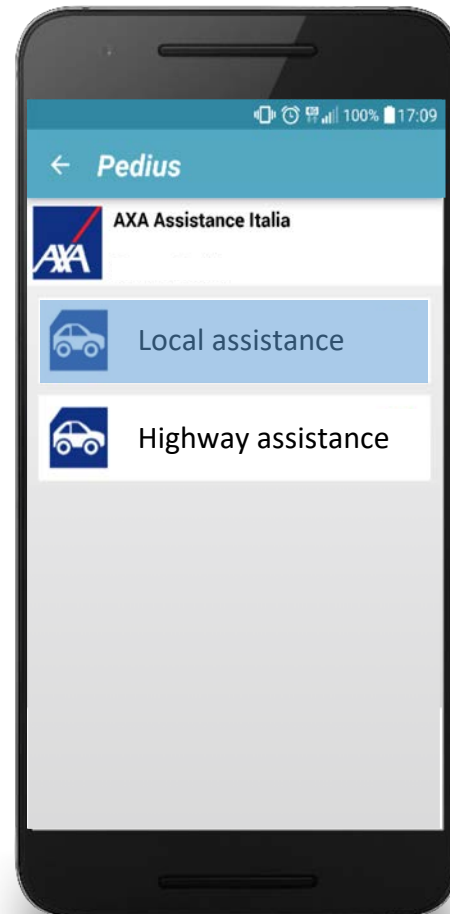

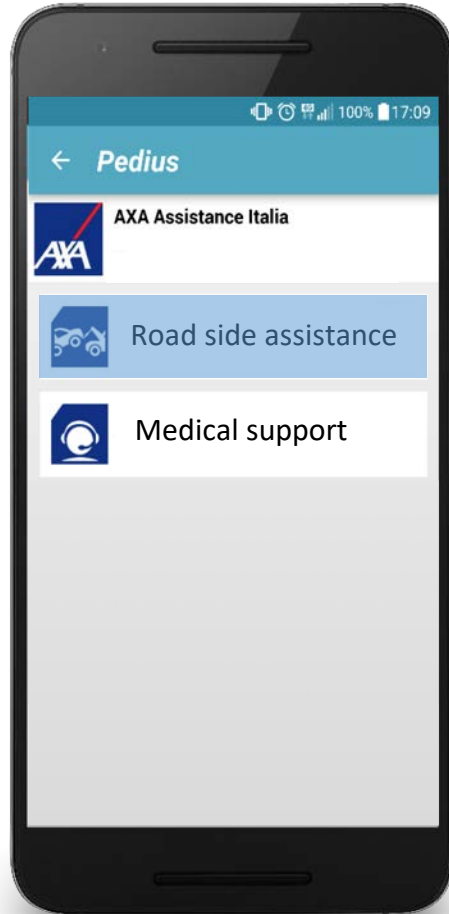

# OUR SOLUTION

Pedius combines speech recognition and voice synthesis transforming a chat in a phone call

# EXAMPLES: ROADSIDE ASSISTANCE

AXA Assistance offers Roadside assistance and medical advices

# 48 HOURS INTEGRATION

No need to modify current call center infrastructure

Citizens

# OUR TEAM

# ABOUT US

«During my pregnancy I had stomach pains, thanks to Pedius I was able to call the doctor»

«You changed the life of a 17 years old deaf boy! One of his best Christmas presents»

Pedius selected in Slush 100 startups

Pedius an Italian startup that enables the deaf to make phone calls.
