CONTRIBUTION BY National Media and Infocommunications Authority

TITLE: Hungary support on Europe Regional Initiative 1

CONTACT: Krisztián Stefanics (stefanics.krisztian@nmhh.hu)

Europe Regional Initiative:

EUR1: Broadband infrastructure, broadcasting and spectrum management

Year(s) of implementation: 2018, 2019, 2020, 2021

Background

Hungary provides information to the ITU-D Study Group 1 about the whole analogue-digital switch over process, which was finished totally on 2013.

Proposal

In 2018 the Hungarian Authority will organize a Regional Seminar about the 5G Implementation in Europe and CIS, Strategies and Policies Enabling New Growth Opportunities. The Regional Seminar will take place in Budapest from 3 to 5 July 2018.

Hungarian Authority can support the ITU Regional Initiatives for Europe with the following topics:

- Promoting usage and data submission of the ITU Interactive Transmission Maps
- Case studies on 5G implementations for analysis and sharing in the form of a report
- Review of National Broadband plans and conducting feasibility studies high speed full coverage connectivity
