

The power of phone calls, for deaf and hard-of-hearing persons

“

I'm deaf. For millions of people like me, for your elderly parents, or for a colleague, making a phone call is a **daily frustration**.

”

Olivier Jeannel
Rogervoice CEO

Be the change
you want to see
in the world.

”

Gandhi

“

For innovation to make sense, there needs to be a corresponding change in society and in mindset.

”
