CONTRIBUTION BY THE CZECH REPUBLIC

TITLE: Radio Frequency Management twinning

CONTACT: Mr. Petr Ondracek, PhDr., ondrape1@fel.cvut.cz

Europe Regional Initiative: EUR1: Broadband infrastructure, broadcasting and spectrum management

Year(s) of implementation: 2019, 2020

Background

The Czech Technical University, Faculty of Electrical Engineering, as Academia Member of the ITU is active in the ITU Academy in the field of the radiofrequency management.

The long year experience in assisting the National Regulatory Authority, the Czech Telecommunication Office, in mentioned area is the confirmation of qualities and ability to share practical and relevant knowledge in possible twinning project.

Proposal

The Czech Technical University, Faculty of Electrical Engineering, offers to participate in a twinning project focused on radiofrequency management.
