12. General information

Odessa is a city on the Black Sea coast of Ukraine, the administrative center of the Odessa region, the largest port in Ukraine, a major industrial, cultural, scientific and resort center, highways and railways node.

Odessa is the third city in the country in terms of population. The city is situated on the Odessa Bay of the Black Sea. The most part of the city, including the historical center, is located on the plains overtopping the sea level about 50 m. The area of the city is 163 km², population density is 6139 persons/ km². Odessa is characterized by the developed highways network. The city is located near Danube, Dnestr, Southern Bug, and Dnepr rivers, which along with the large seaports of Odessa, Illychevsk and Yuzhny and Odessa international airport and railway form the unique favorable conditions for loads accepting, processing, saving and transporting and the powerful passenger flows processing.
