TITLE: ITU Academy Training Center – Policy to Research

DESCRIPTION OF ACTION:

The Capacity Development Office (CDO) of of [United Nations University – Maastricht Economic and Social Research Institute on Innovation and Technology \(UNU-MERIT\)](#) /Maastricht University in the Netherlands provides career-enhancing training for policymakers and practitioners. Our programmes are designed to help participants influence and implement policy related to the UN [Sustainable Development Goals](#). For ITU, we cooperate as one of the Global Academy training centers.

Our purpose as a university and UN think tank is to offer unique learning and training opportunities not only to students but also to everyone looking to address contemporary and future sustainable development challenges, expand their knowledge and networks, and achieve personal and professional growth.

Our policy advise and consultancies include training elements and assistance in translating policy relevant concerns into viable and researchable issues. We host a selection of training elements that help you bridge that divide between policy domains and research, and offer consultancy/capacity development services based around your teams needs to work with data and analyse them using state-of-the-art research methodologies. Our expertise relevant to the ITU regional agenda ranges from topics in innovation systems, indicators, digital transformations, and the governance of digitalisation in international organisations, ministries and public institutions.
