

ITU RED-AFRICA REGIONAL ECONOMIC DIALOGUE FOR AFRICA: Meaningful and Affordable Digital Connectivity for Africa

Lwando Bbuku

Manager – Markets & Competition

ZICTA

Zambia

Mr Bbuku is an accomplished telecommunications professional with over 10 years of demonstrated experience in regulation of the ICT sector. While at the Zambia Information and Communications Technology Authority (ZICTA), he has pioneered a number of national, regional and international initiatives aimed at promoting effective competition and affordability in the ICT Sector.

He has also been instrumental in establishing responsive regulations aimed at adapting to the changing business and operational models of the sector such as regulations regarding infrastructure sharing, competition management and tariff regulation in a next generation network environment.

Mr Bbuku actively participates in the work of the International Telecommunications Union (ITU)

and currently serves as the Chairman of the ITU Expert Group on the International Telecommunication Regulations (ITRs) as well as the Co-Chairman of the ITU-T Study Group 3 - Regional Group for Africa.
