Sebastián Cabello
CEO
SMC+ Consulting

Español

Experto en políticas públicas digitales y consultor de distintas entidades del sector público y privado. Actualmente es CEO de SmC+ Digital Public Affairs, y asesor de distintas empresas y organizaciones como el BID, CEPAL, la Asociación Latinoamericana de Internet (ALAI). También, se desempeña como investigador afiliado del Centro de Tecnología y Sociedad (CETyS) de la Universidad de San Andrés, Argentina. Fue el Jefe de la Asociación GSMA que reúne a todo el ecosistema móvil entre 2010 y 2018, y miembro del Comité de Internet para Todos del Foro

Económico Mundial (WEF) y ha liderado iniciativas regionales de diálogo público-privado como el Congreso Latinoamericano de Telecomunicaciones (CLT) el centro de capacitación CE-Digital, la campaña Nos Importa y la red BEST, entre otros.

English

Sebastian Cabello is an accomplished digital technology policy expert with vast experience driving collective action, public-private partnerships across Latin America. He serves as CEO at SmC+ Digital Public Affairs supporting different global digital players as well as advising the Inter-American Bank (IDB) and the Latin American Internet Association (ALAI). He is also research fellow at the Center for Technology and Society at Universidad de San Andres, Argentina. Between 2010 and 2018, he was Head of Latin America at the GSMA, the global association of the mobile industry, and led the organization's advocacy activities in the region. He is one of the creators of the We Care Campaign, the capacity building center CE-Digital, the Latin American Congress on Telecommunications (CLT), and most recently the IDB BEST network. He has been part of the National Committee on Spectrum of Colombia and the Latin American Internet for All Advisory Committee of the World Economic Forum.
