

9th ECONOMIC EXPERTS ROUNDTABLE **“Economic and Fiscal Incentives to Accelerate Digital Transformation”**

Sidy Diop
Director – Economic Advisory
Deloitte

Partner at Deloitte France Sidy Diop, leads the team of economists working on French-speaking Africa. Doctor-Engineer from the Ecole des Mines de Paris, he began his career with the French telecoms regulator as an economist, notably in charge of universal service, technical-economic modeling and market analyzes. He then worked as an international civil servant in a development bank where he participated in the financing of infrastructure projects in West Africa, notably in telecoms.

Within the Economic Advisory practice of Deloitte France, Sidy Diop currently supports many players on the subjects of regulation and the digital economy in Africa. For regulators, operators, or donors, he and his teams works in the field of tariff studies, cost modeling, calculation of economic impacts, asymmetric regulation, etc.
