

ITU Policy and Economic Colloquium for the Americas IPEC-25 Regional Economic Dialogue (RED-AMS)

Christian O'Flaherty

**Vice President for Latin America and the Caribbean
Internet Society**

English:

Christian O'Flaherty is Vice President for Latin America and the Caribbean at the Internet Society. He holds a degree in Computer Science and a postgraduate degree in Business Administration. He has been a university professor, director of network operations, and head of Internet products in regional companies. He is a promoter and active member of regional forums and organizations such as Internet Exchange Point Associations (LAC-IX), Network Operators' Forums (LACNOG), and the Regional Internet

Registry (LACNIC). Since 2009, he has been working with the regional Internet ecosystem, including governments, operators, and academia, to promote an open, globally connected, secure, and trustworthy Internet.

Español:
