

# ITU ICT Price Basket Questionnaire 2025

## SAMPLE QUESTIONNAIRE

		2025	Notes
<b>1. Main contact information</b>			
	Prefix (Mr, Mrs, etc)		
	First name *		
	Last name *		
	Title		
	Organization *		
	Phone (include + country code)		
	Recipient email address(es) *		
<b>2. Fixed-broadband basket (5GB)</b>			
Please provide the fixed-broadband prices of the Internet Service Provider (ISP) with the largest market share (as measured by the number of fixed-broadband subscriptions) in national currency or in the currency as advertised by the ISP with a note specifying the currency. If prices vary between regions of the country, provide the tariffs that apply to the largest city. The selected plan should represent the cheapest fixed-broadband plan on the basis of at least 5GB monthly usage and a minimum speed of 256 kbit/s. Taxes should be included.			
	<b>Market share</b> Did the ISP with the largest market share in the country change from the previous year? If so, please provide evidence for changing market shares.	Y/N	
	<b>i4213_5GB_ISP - Fixed broadband, name of ISP</b> What is the name of the ISP providing the fixed-broadband Internet tariffs?		
	<b>i4213Tax - Fixed broadband, tax rate</b> What is the tax rate included in the fixed-broadband Internet tariffs?		
	<b>i4213_5GB_Plan - Fixed broadband tariff plan</b> What is the name of the fixed-broadband Internet tariff plan?		
	<b>i4213_5GB_Link - Fixed broadband Internet tariff link</b> Provide the link where the fixed-broadband Internet tariffs are advertised.		
	<b>i4213_5GB_bc - Fixed-broadband connection charge</b> refers to the initial, one-time charge for a new fixed-broadband Internet connection. The tariffs should represent the cheapest fixed-broadband plan on the basis of a 5 GB monthly usage. Refundable deposits should not be counted.		
	<b>i4213_5GB_bs - Fixed-broadband monthly subscription charge</b> refers to the monthly subscription charge for fixed-broadband Internet service. Fixed broadband is considered to be any dedicated connection to the Internet at downstream speeds equal to, or greater than, 256 kbit/s. If several offers are available, preference should be given to the cheapest meeting the criteria of the basket (e.g. on the basis of a 5 gigabyte (GB) monthly usage).		
	<b>i4213_5GB_bs_s - Fixed-broadband speed, in Mbit/s</b> refers to the advertised maximum theoretical download speed, and not speeds guaranteed to users associated with a fixed-broadband Internet monthly subscription.		

<b>i4213_5GB_Tech - Fixed broadband prices - technology used</b> Type of technology used (e.g. DSL, cable, FTTH) for the fixed-broadband plan selected.		
<b>i4213_5GB_bs_c - Fixed-broadband data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), that can be transferred within a month and is included in the fixed-broadband monthly subscription. If the plan selected has no limit for the monthly data usage, enter the required cap for the basket (e.g., 5 GB), add “unlimited” in the notes for the cap and enter in the respective indicator.		
<b>i4213_5GB_bs_cp - Fixed broadband - price of excess usage per GB</b> refers to the price per additional gigabyte (GB) of Internet data downloaded once the monthly allotted limit of the fixed-broadband subscription is used.		
<b>i4213_5GB_cm - Fixed broadband basket (5GB), commitment period (months)</b> Refers to the minimum contract duration in months for the selected fixed broadband plan.		
<b>i154_FBB5 - Fixed-broadband basket (5GB), in local currency</b> The total recurrent monthly price; specify currency		
<b>Fixed-broadband plan, location</b> If the plan’s attributes are linked to a specific address in the country, indicate the address here:		
<b>Fixed-broadband basket, File upload</b> Name of file attached containing screenshot or other evidence for the selected plan’s price and conditions		
<b>MOBILE BROADBAND BASKETS</b>		
<b>3. Mobile network operator</b> (should be the same for all 4 mobile baskets)		
<b>i271mb_Opf_5GB - Data-only mobile broadband 5 GB, operator</b> Data-only mobile broadband 5 GB, operator Refers to the name of the selected operator with the largest market share measured by the number of mobile-cellular subscriptions.		
<b>i271mb_low_Opf - Mobile broadband, low usage, operator</b> Name of the operator providing the plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB.		
<b>i271mb_high_Opf_5GB - Data and voice high-consumption basket, operator</b> refers to the name of the selected operator with the largest market share (measured by the number of mobile-cellular subscriptions) for which prices are collected.		
<b>i271mb_high_Opf_2GB - Data and voice high-consumption basket, operator</b> refers to the name of the selected operator with the largest market share (measured by the number of mobile-cellular subscriptions) for which prices are collected.		
<b>Market share</b> Did the MNO with the largest market share in the country change from the previous year? If so, please provide evidence for changing market shares.	Y/N	
<b>Tax Rate</b>		
<b>i271mb_tax_5GB - Data-only mobile broadband 5 GB, tax rate included</b> refers to the tax rate applicable to and included in the mobile-broadband prices.		
<b>i271mb_low_tax - Mobile broadband, low usage, tax rate included</b> Tax rate applied to the plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB.		

	<b>i271mb_high_tax_5GB - Data and voice high-consumption basket, tax rate included</b> Tax rate applied to the plan selected for the data and voice high-consumption basket		
	<b>i271mb_high_tax_2GB - Data and voice high-consumption basket, tax rate included</b> Tax rate applied to the plan selected for the data and voice high-consumption basket with 140 min + 70 SMS + 2GB.		
<b>4. Data-only mobile-broadband basket (5GB) NEW 2025</b> Please provide the prices of the operator with the largest market share (as measured by the number of mobile-cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. The selected plan should represent the cheapest mobile-broadband plan on the basis of at least 5 GB monthly usage over 3G or more advanced network technology. Special offers and plans with limited availability cannot be used. Taxes should be included.			
<b>Base plan details</b>			
	<b>i271mb_Plan_5GB - Data-only mobile broadband 5 GB, name of the base plan</b> refers to the name of the selected base plan for which prices are collected.		
	<b>i271mb_link_5GB - Data-only mobile broadband 5 GB, base plan and data add-on links</b> refers to the website link of the selected base plan and add-on.		
	<b>i271mb_bs_5GB - Data-only mobile broadband 5 GB, price of the base plan</b> refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_c_5GB - Data-only mobile broadband 5 GB, base plan data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected base plan.		
	<b>i271mb_v_5GB - Data-only mobile broadband 5 GB, validity of the base plan (days)</b> refers to the validity (in 2 of days) of the selected base plan.		
	<b>i271mb_Tech_5GB - Data-only mobile broadband 5 GB, technology used</b> refers to the type of technology used (e.g. UMTS, LTE) for the selected plan.		
	<b>i271mb_cp_5GB - Data-only mobile broadband 5 GB, price of excess usage, per GB</b> refers to the price per additional gigabyte (GB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>Add-on (if needed)</b> Is an add-on [data package] necessary to reach the minimum allowance and validity of the basket? If yes, please provide below, otherwise proceed to 'basket review'		Y/N	
	<b>i271mb_add_plan_5GB - Data-only mobile broadband 5 GB, name of the data add-on</b> refers to the name of the selected data add-on for which prices are collected.		
	<b>i271mb_add_bs_5GB - Data-only mobile broadband 5 GB, price of the data add-on</b> refers to the price of the selected data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_add_c_5GB - Data-only mobile broadband 5 GB, data add-on data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected data add-on.		

	<b>i271mb_add_v_5GB - Data-only mobile broadband 5 GB, validity of the data add-on (days)</b> refers to the validity (in 2 of days) of the selected data add-on.		
<b>Basket - review</b>			
	<b>i271mb_5GB - Data-only mobile broadband basket 5 GB price, in local currency</b> Data-only mobile broadband basket 5 GB, the total monthly recurrent price of the basket, in local currency units		
	<b>Data-only mobile broadband basket 5 GB, File upload</b> Name of file attached containing screenshot or other evidence for the selected plan(s)' price and conditions		
<b>5. Mobile broadband data and voice low-consumption basket (70+50+1GB) NEW 2025</b> Please provide the prices of the operator with the largest market share (as measured by the number of mobile-cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. The selected plan should represent the cheapest available plan meeting the criteria of the basket (at least 70 min, 20 SMS, and 500 MB) and over 3G or more advanced network technology. Special offers and plans with limited availability cannot be used. Taxes should be included.			
<b>Base plan details</b>			
	<b>i271mb_low_p - Data and voice low-consumption basket, type of plan (prepaid, postpaid)</b> refers to whether the selected plan is prepaid or postpaid		
	<b>i271mb_low_Plan - Data and voice low-consumption basket, name of the base plan</b> refers to the name of the selected base plan for which prices are collected.		
	<b>i271mb_low_link - Data and voice low-consumption basket, base plan and add-on links</b> refers to the website link of the selected base plan add-ons.		
	<b>i271mb_low_bs - Data and voice low-consumption basket, price of the base plan</b> refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_low_c - Data and voice low-consumption basket, base plan data cap, in MB</b> refers to the maximum amount of Internet data, in megabytes (MB), included in the selected base plan.		
	<b>i271mb_low_cp - Data and voice low-consumption basket, price of excess usage, per MB</b> Price per additional megabyte (MB) of Internet data downloaded once the allotted limit of the base plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB is used.		
	<b>i271mb_low_min - Data and voice low-consumption basket, minutes included in the base plan</b> refers to the maximum number of voice minutes included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-usage basket, validity of plan (i271mb_low_v).		
	<b>i271mb_low_xmin - Data and voice low-consumption basket, price of excess voice, per minute</b> Price per additional voice minute once the allotted limit of the base plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB is used.		

	<b>i271mb_low_sms - Data and voice low-consumption basket, SMS included in the base plan</b> refers to the maximum number of SMS included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-usage basket, validity of plan (i271mb_low_v).		
	<b>i271mb_low_xsms - Data and voice low-consumption basket, price of excess SMS, per SMS</b> Price per additional SMS once the allotted limit of the base plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB is used.		
	<b>i271mb_low_v - Data and voice low-consumption basket, validity of the base plan (days)</b> refers to the validity (in number of days) of the selected base plan.		
	<b>i271mb_low_Tech - Data and voice low-consumption basket, technology used</b> Type of technology used (e.g. UMTS, LTE) for the plan selected for the mobile-broadband basket with 70 min + 20 SMS + 500 MB.		
<b>Add-on (if needed)</b> Is an add-on (voice, SMS and/or data) [package] necessary to reach the minimum allowance and validity of the basket? If yes, please provide below, otherwise proceed to 'basket review'		Y/N	
	<b>Data add-on</b> <b>i271mb_low_add_Plan - Data and voice low-consumption basket, name of the data add-on</b> refers to the name of the selected data add-on for which prices are collected.		
	<b>i271mb_low_add_bs - Data and voice low-consumption basket, price of the data add-on</b> refers to the price of the selected data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_low_add_c - Data and voice low-consumption basket, data add-on data cap, in MB</b> refers to the maximum amount of Internet data, in megabytes (MB), included in the selected data add-on.		
	<b>i271mb_low_add_v - Data and voice low-consumption basket, validity of the data add-on (days)</b> refers to the validity (in number of days) of the selected data add-on.		
	<b>Voice add-on</b> <b>i271mb_low_adv_Plan - Data and voice low-consumption basket, name of the voice add-on</b> refers to the name of the selected voice add-on for which prices are collected.		
	<b>i271mb_low_adv_bs - Data and voice low-consumption basket, price of the voice add-on</b> refers to the price of the selected voice add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_low_adv_min - Data and voice low-consumption basket, minutes included in the voice add-on</b> refers to the maximum number of voice minutes included in the selected voice add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of voice add-on (i271mb_low_adv_v).		

	<b>i271mb_low_adv_v - Data and voice low-consumption basket, validity of the voice add-on (days)</b> refers to the validity (in number of days) of the selected voice add-on.		
	<b>SMS add-on</b> <b>i271mb_low_ads_Plan - Data and voice low-consumption basket, name of the SMS add-on</b> refers to the name of the selected SMS add-on for which prices are collected.		
	<b>i271mb_low_ads_bs - Data and voice low-consumption basket, price of the SMS add-on</b> refers to the price of the SMS add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_low_ads_sms - Data and voice low-consumption basket, SMS included in the SMS add-on</b> refers to the maximum number of SMS included in the selected SMS add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of SMS add-on (i271mb_low_ads_v).		
	<b>i271mb_low_ads_v - Data and voice low-consumption basket, validity of the SMS add-on (days)</b> refers to the validity (in number of days) of the selected SMS add-on.		
<b>Basket - review</b>			
	<b>i271mb_low_1 - Data and voice low-consumption basket price, in local currency</b> Data- and voice low-consumption basket, the total monthly recurrent price of the basket, in local currency units		
	<b>Data and voice low-consumption basket, File upload</b> Name of file(s) attached containing screenshot or other evidence for the selected plan(s)' price and conditions		
<b>6. Mobile broadband data and voice high-consumption basket (140 min+20 SMS+5GB) <span style="background-color: yellow;">NEW 2025</span></b> Please provide the prices of the operator with the largest market share (as measured by the number of mobile cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. 	<b>i271mb_high_Plan_5GB - Data and voice high-consumption basket, name of the base plan</b> refers to the name of the selected base plan for which prices are collected.		
	<b>i271mb_high_link_5GB - Data and voice high-consumption basket, base plan and add-on links</b> refers to the website link of the selected base plan and add-ons.		
	<b>i271mb_high_bs_5GB - Data and voice high-consumption basket, price of the base plan</b> refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_high_c_5GB - Data and voice high-consumption basket, base plan data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected base plan.		

<b>i271mb_high_cp_5GB - Data and voice high-consumption basket, price of excess usage, per GB</b> refers to the price per additional gigabyte (GB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_min_5GB - Data and voice high-consumption basket, minutes included in the base plan</b> refers to the maximum number of voice minutes included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-consumption basket, validity of plan (i271mb_high_v).		
<b>i271mb_high_xmin_5GB - Data and voice high-consumption basket, price of excess voice, per minute</b> refers to the price per additional voice minute once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_sms_5GB - Data and voice high-consumption basket, SMS included in the base plan</b> refers to the maximum number of SMS included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-consumption basket, validity of plan (i271mb_high_v_2GB).		
<b>i271mb_high_xsms_5GB - Data and voice high-consumption basket, price of excess SMS, per SMS</b> refers to the price per additional SMS once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_v_5GB - Data and voice high-consumption basket, validity of the base plan (days)</b> refers to the validity (in number of days) of the selected base plan.		
<b>i271mb_high_Tech_5GB - Data and voice high-consumption basket, technology used</b> refers to the type of technology used (e.g. UMTS, LTE, 5G) for the selected plan.		
<b>Add-on</b> (if needed) Is an add-on (voice, SMS and/or data) [package] necessary to reach the minimum allowance and validity of the basket? If yes, please provide below, otherwise proceed to 'basket review'	Y/N	
<b>i271mb_high_add_Plan_5GB - Data and voice high-consumption basket, name of the data add-on</b> refers to the name of the selected data add-on for which prices are collected.		
<b>i271mb_high_add_bs_5GB - Data and voice high-consumption basket, price of the data add-on</b> refers to the price of the selected data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_add_c_5GB - Data and voice high-consumption basket, data add-on data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected data add-on.		
<b>i271mb_high_add_v_5GB - Data and voice high-consumption basket, validity of the add-on (days)</b> refers to the validity (in number of days) of the selected add-on.		

	<b>i271mb_high_adv_Plan_5GB - Data and voice high-consumption basket, name of the voice add-on</b> refers to the name of the selected voice add-on for which prices are collected.		
	<b>i271mb_high_adv_bs_5GB - Data and voice high-consumption basket, price of the voice add-on</b> refers to the price of the selected voice add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate		
	<b>i271mb_high_adv_min_5GB - Data and voice high-consumption basket, minutes included in the voice add-on</b> refers to the maximum number of voice minutes included in the selected voice add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of add-on (i271mb_high_adv_v_5GB).		
	<b>i271mb_high_adv_v_5GB - Data and voice high-consumption basket, validity of the voice add-on (days)</b> refers to the validity (in number of days) of the selected voice add-on.		
	<b>i271mb_high_ads_Plan_5GB - Data and voice high-consumption basket, name of the SMS add-on</b> refers to the name of the selected SMS add-on for which prices are collected.		
	<b>i271mb_high_ads_bs_5GB - Data and voice high-consumption basket, price of the SMS add-on</b> refers to the price of the SMS add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate		
	<b>i271mb_high_ads_sms_5GB - Data and voice high-consumption basket, SMS included in the add-on</b> refers to the maximum number of SMS included in the selected SMS add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of SMS add-on (i271mb_high_ads_v_5GB).		
	<b>i271mb_high_ads_v_5GB - Data and voice high-consumption basket, validity of the SMS add-on (days)</b> refers to the validity (in number of days) of the selected SMS add-on.		
<b>Basket - review</b>			
	<b>i271mb_high_5GB - Mobile data and voice high-consumption basket (140 min, 20 SMS, 5 GB), in local currency</b> Data- and voice high-consumption basket, the total monthly recurrent price of the basket, in local currency units		
	<b>Data and voice high-consumption basket (140 min, 20 SMS, 5GB), File upload</b> Name of file(s) attached containing screenshot or other evidence for the selected plan(s)' price and conditions		
<b>7. Mobile broadband data and voice high-consumption basket (140 min+70 SMS+2GB) 'OLD' DEFINITION</b> Please provide the prices of the operator with the largest market share (as measured by the number of mobile cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. 	<b>i271mb_high_p_2GB - Data and voice high-consumption basket, type of plan (prepaid, postpaid)</b> refers to whether the selected plan is prepaid or postpaid		

<b>i271mb_high_Plan_2GB - Data and voice high-consumption basket, name of the base plan</b> refers to the name of the selected base plan for which prices are collected.		
<b>i271mb_high_link_2GB - Data and voice high-consumption basket, base plan and add-on links</b> refers to the website link of the selected base plan and add-ons.		
<b>i271mb_high_bs_2GB - Data and voice high-consumption basket, price of the base plan</b> refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_c_2GB - Data and voice high-consumption basket, base plan data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected base plan.		
<b>i271mb_high_cp_2GB - Data and voice high-consumption basket, price of excess usage, per GB</b> refers to the price per additional gigabyte (GB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_min_2GB - Data and voice high-consumption basket, minutes included in the base plan</b> refers to the maximum number of voice minutes included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-consumption basket, validity of plan (i271mb_high_v).		
<b>i271mb_high_xmin_2GB - Data and voice high-consumption basket, price of excess voice, per minute</b> refers to the price per additional voice minute once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_sms_2GB - Data and voice high-consumption basket, SMS included in the base plan</b> refers to the maximum number of SMS included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-consumption basket, validity of plan (i271mb_high_v_2GB).		
<b>i271mb_high_xsms_2GB - Data and voice high-consumption basket, price of excess SMS, per SMS</b> refers to the price per additional SMS once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
<b>i271mb_high_v_2GB - Data and voice high-consumption basket, validity of the base plan (days)</b> refers to the validity (in number of days) of the selected base plan.		
<b>i271mb_high_Tech_2GB - Data and voice high-consumption basket, technology used</b> refers to the type of technology used (e.g. UMTS, LTE) for the selected plan.		

<b>Add-on (if needed)</b> Is an add-on (voice, SMS and/or data) [package] necessary to reach the minimum allowance and validity of the basket? If yes, please provide below, otherwise proceed to 'basket review'		Y/N	
	<b>i271mb_high_add_Plan_2GB - Data and voice high-consumption basket, name of the data add-on</b> refers to the name of the selected data add-on for which prices are collected.		
	<b>i271mb_high_add_bs_2GB - Data and voice high-consumption basket, price of the data add-on</b> refers to the price of the selected data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.		
	<b>i271mb_high_add_c_2GB - Data and voice high-consumption basket, data add-on data cap, in GB</b> refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected data add-on.		
	<b>i271mb_high_add_v_2GB - Data and voice high-consumption basket, validity of the add-on (days)</b> refers to the validity (in number of days) of the selected add-on.		
	<b>i271mb_high_adv_Plan_2GB - Data and voice high-consumption basket, name of the voice add-on</b> refers to the name of the selected voice add-on for which prices are collected.		
	<b>i271mb_high_adv_bs_2GB - Data and voice high-consumption basket, price of the voice add-on</b> refers to the price of the selected voice add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate		
	<b>i271mb_high_adv_min_2GB - Data and voice high-consumption basket, minutes included in the voice add-on</b> refers to the maximum number of voice minutes included in the selected voice add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of add-on (i271mb_high_adv_v_2GB).		
	<b>i271mb_high_adv_v_2GB - Data and voice high-consumption basket, validity of the voice add-on (days)</b> refers to the validity (in number of days) of the selected voice add-on.		
	<b>i271mb_high_ads_Plan_2GB - Data and voice high-consumption basket, name of the SMS add-on</b> refers to the name of the selected SMS add-on for which prices are collected.		
	<b>i271mb_high_ads_bs_2GB - Data and voice high-consumption basket, price of the SMS add-on</b> refers to the price of the SMS add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate		
	<b>i271mb_high_ads_sms_2GB - Data and voice high-consumption basket, SMS included in the add-on</b> refers to the maximum number of SMS included in the selected SMS add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of SMS add-on (i271mb_high_ads_v_2GB).		
	<b>i271mb_high_ads_v_2GB - Data and voice high-consumption basket, validity of the SMS add-on (days)</b> refers to the validity (in number of days) of the selected SMS add-on.
