

ITU ICT Price Basket Questionnaire 2022

SAMPLE QUESTIONNAIRE

Black cells must NOT be completed. Please do NOT modify or delete any of the black cells.

All numerical data must be entered WITHOUT any punctuation, i.e. no apostrophes, commas, spaces, etc.

Prices should be provided in the currency they are advertised. If prices are not advertised in LOCAL currency, a note should be added specifying the currency.

Section	Question	2022
<p>Fixed-broadband basket 5GB Please provide the fixed-broadband prices of the ISP with the largest market share (as measured by the number of fixed-broadband subscriptions) in national currency or in the currency as advertised by the ISP with a note specifying the currency. If prices vary between regions of the country, provide the tariffs that apply to the largest city. The selected plan should represent the cheapest fixed-broadband plan on the basis of at least 5GB monthly usage and a minimum speed of 256 kbit/s. Taxes should be included.</p>	<p>i4213_5GB_ISP - Fixed broadband, name of ISP refers to the name of the selected Internet service provider with the largest market share (measured by the number of fixed-broadband subscriptions).</p>	
	<p>i4213_5GB_Plan - Fixed broadband, name of the plan refers to the name of the selected plan for which prices are collected.</p>	
	<p>i4213Tax - Fixed broadband, tax rate refers to the tax rate applicable to and included in the fixed-broadband prices.</p>	
	<p>i4213_5GB_Link - Fixed broadband, link refers to the website link of the selected plan.</p>	
	<p>i4213_5GB_bc - Fixed-broadband connection charge refers to the initial, one-time charge for a new fixed-broadband Internet connection. Refundable deposits should not be counted. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i4213_5GB_bs - Fixed-broadband monthly subscription charge (modified 2021) refers to the monthly subscription charge for fixed-broadband Internet service. Fixed broadband is considered to be any dedicated connection to the Internet at downstream speeds equal to, or greater than, 256 kbit/s. If several offers are available, preference should be given to the cheapest meeting the criteria of the basket (e.g. on the basis of a 5 gigabyte (GB) monthly usage).</p>	
	<p>i4213_5GB_bs_c - Fixed-broadband data cap, in GB refers to the maximum amount of Internet data, in gigabytes (GB), that can be transferred within a month and is included in the fixed-broadband monthly subscription. If the plan selected has no limit for the monthly data usage, enter the required cap for the basket (e.g., 5 GB), add "unlimited" in the notes for the cap and enter in the respective indicator.</p>	
	<p>i4213_5GB_bs_cp - Fixed broadband, price of excess usage per GB refers to the price per additional gigabyte (GB) of Internet data downloaded once the monthly allotted limit of the fixed-broadband subscription is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i4213_5GB_bs_s - Fixed-broadband speed, in Mbit/s refers to the advertised maximum theoretical download speed, and not speeds guaranteed to users associated with a fixed-broadband Internet monthly subscription.</p>	
	<p>i4213_5GB_Tech - Fixed-broadband prices, technology used refers to the type of technology used (e.g. DSL, cable, FTTH) for the selected fixed-broadband plan.</p>	
<p>Mobile-cellular low-usage basket (70 min, 20 SMS) Please provide prices of the operator with the largest market share (as measured by the total number of mobile-cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. Special offers and plans with</p>	Base plan, general	<p>i153_low_OPc - Mobile-cellular operator refers to the name of the selected operator with the largest market share (measured by the number of mobile-cellular subscriptions) for which prices are collected.</p>
		<p>i153_low_Plan - Mobile cellular, name of the plan refers to the name of the selected plan for which prices are collected.</p>
		<p>i153Tax - Mobile cellular, tax rate refers to the tax rate applicable to and included in the mobile-cellular prices.</p>

limited availability cannot be used. Taxes should be included.

i153_low_Link - Mobile cellular, base plan and add-on links (modified 2021)

refers to the website link of the selected base plan and add-on.

i151p - Mobile-cellular connection charge

is the initial, one-time charge for a new prepaid mobile-cellular subscription. Refundable deposits should not be counted. The connection fee corresponds usually to the price charged for the subscriber identity module (SIM) card, but may include other fees. It should be noted if free minutes, free SMS or other free services are included in the connection charge. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

i152c - Mobile cellular - base plan monthly subscription charge (new 2021)

refers to the monthly price of the selected plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

Base plan, allowance

i153_low_min - Mobile cellular, minutes included in the base plan (new 2021)

refers to the maximum number of voice minutes included in the selected base plan that can be consumed within 4 weeks or 30 days.

i153_low_sms - Mobile cellular, SMS included in the base plan (new 2021)

refers to the maximum number of SMS included in the selected base plan that can be consumed within 4 weeks or 30 days.

Base plan, unit charges

i153_low_pc - Mobile cellular - call connection charge

refers to the one-off fee that may apply for the establishment of a call. If the charge differs according to whether the call is on-net/off-net or peak/off-peak, this should be specified in a note. Please note that the call connection charge is not a per-minute charge, but a per call fee.

i153_low_pf - Mobile cellular - price of a one-minute local call (peak, to fixed)

refers to the price per minute of a peak rate call from a mobile-cellular telephone to a fixed-telephone subscriber. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

i153_low_pn - Mobile cellular - price of a one-minute local call (peak, on-net)

refers to the price per minute of a call made from a mobile-cellular network to a mobile-cellular subscriber of the same network during peak time. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

i153_low_po - Mobile cellular - price of a one-minute local call (peak, off-net)

refers to the price per minute of a peak rate call from a mobile-cellular telephone to a mobile-cellular subscriber of another (competing) network. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

i153_low_pof - Mobile cellular - price of one-minute local call (off-peak, to fixed)

refers to the price per minute of an off-peak rate call from a mobile-cellular telephone to a fixed-telephone subscriber. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

i153_low_pon - Mobile cellular - price of a one-minute local call (off-peak, on-net)

refers to the price per minute of a call from a mobile-cellular telephone to the same mobile-cellular network during off-peak time. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.

	<p>i153_low_poo - Mobile cellular – price of a one-minute local call (off-peak, off-net)</p> <p>refers to the price per minute of an off-peak rate call from a mobile-cellular telephone to a mobile-cellular subscriber of another (competing) network. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p> <p>i153_low_psms - Mobile cellular – price of SMS (on-net)</p> <p>refers to the price of sending a short-message service (SMS) message from a mobile-cellular telephone to a mobile-cellular number of the same network (on-net). Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p> <p>i153_low_sms_po - Mobile cellular – price of SMS (off-net)</p> <p>refers to the price of sending a short-message service (SMS) message from a mobile-cellular telephone to a mobile-cellular number of a competing network (off-net). Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
Voice add-on (if necessary)	<p>i153_low_adv_plan – Mobile cellular, name of the voice add-on (new 2021)</p> <p>refers to the name of the selected voice add-on for which prices are collected.</p>	
	<p>i153_low_adv_c – Mobile cellular, price of the voice add-on (new 2021)</p> <p>refers to the price of the selected voice add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i153_low_adv_min – Mobile cellular, minutes included in the voice add-on (new 2021)</p> <p>refers to the maximum number of voice minutes included in the selected voice add-on that can be consumed within the given validity period. For more information on the validity period, see indicator Mobile-cellular, validity of voice add-on (i153_low_adv_v).</p>	
	<p>i153_low_adv_v – Mobile cellular, validity of the voice add-on (days) (new 2021)</p> <p>refers to the validity (in number of days) of the selected voice add-on.</p>	
SMS add-on (if necessary)	<p>i153_low_ads_plan – Mobile cellular, name of the SMS add-on (new 2021)</p> <p>refers to the name of the selected SMS add-on for which prices are collected.</p>	
	<p>i153_low_ads_c – Mobile cellular, price of the SMS add-on (new 2021)</p> <p>refers to the price of the selected SMS add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i153_low_ads_SMS – Mobile cellular, SMS included in the SMS add-on (new 2021)</p> <p>refers to the maximum number of SMS included in the selected SMS add-on that can be consumed within the given validity period. For more information on the validity period, see indicator Mobile cellular, validity of SMS add-on (i153_low_ads_v).</p>	
	<p>i153_low_ads_v – Mobile cellular, validity of the SMS add-on (days) (new 2021)</p> <p>refers to the validity (in number of days) of the selected SMS add-on.</p>	

<p>Data-only mobile broadband 2 GB Please provide the prices of the operator with the largest market share (as measured by the number of mobile-cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. The selected plan should represent the cheapest mobile-broadband plan on the basis of at least 2GB monthly usage and a minimum speed of 256 kbit/s. Special offers and plans with limited availability cannot be used. Taxes should be included.</p>	<p>Base plan, general</p>	<p>i271mb_Opf_2GB - Data-only mobile broadband 2 GB, operator (new 2021)</p> <p>refers to the name of the selected operator with the largest market share measured by the number of mobile-broadband subscriptions. If this information is not available, mobile-broadband prices should be collected from the mobile-cellular operator with the largest market share (measured by the number of mobile-cellular subscriptions).</p>	
		<p>i271mb_Plan_2GB - Data-only mobile broadband 2 GB, name of the base plan (new 2021)</p> <p>refers to the name of the selected base plan for which prices are collected.</p>	
		<p>i271mb_tax_2GB - Data-only mobile broadband 2 GB, tax rate included (new 2021)</p> <p>refers to the tax rate applicable to and included in the mobile-broadband prices.</p>	
		<p>i271mb_link_2GB - Data-only mobile broadband 2 GB, base plan and data add-on links (new 2021)</p> <p>refers to the website link of the selected base plan and add-on.</p>	
		<p>i271mb_bs_2GB - Data-only mobile broadband 2 GB, price of the base plan (new 2021)</p> <p>refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
		<p>Base plan, allowances</p>	<p>i271mb_c_2GB- Data-only mobile broadband 2 GB, base plan data cap, in GB (new 2021)</p> <p>refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected base plan.</p>
	<p>i271mb_cp_2GB - Data-only mobile broadband 2 GB, price of excess usage, per GB (new 2021)</p> <p>refers to the price per additional gigabyte (GB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>		
	<p>i271mb_v_2GB - Data-only mobile broadband 2 GB, validity of the base plan (days) (new 2021)</p> <p>refers to the validity (in number of days) of the selected base plan.</p>		
	<p>Data add-on (if necessary)</p>	<p>i271mb_add_plan_2GB – Data-only mobile broadband 2 GB, name of the data add-on (new 2021)</p> <p>refers to the name of the selected data add-on for which prices are collected.</p>	
		<p>i271mb_add_bs_2GB - Data-only mobile broadband 2 GB, price of the data add-on (new 2021)</p> <p>refers to the price of the selected data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
		<p>i271mb_add_c_2GB – Data-only mobile broadband 2 GB, data add-on data cap, in GB (new 2021)</p> <p>refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected data add-on.</p>	
		<p>i271mb_add_v_2GB – Data-only mobile broadband 2 GB, validity of the data add-on (days) (new 2021)</p> <p>refers to the validity (in number of days) of the selected data add-on.</p>	
		<p>i271mb_Tech_2GB - Data-only mobile broadband 2 GB, technology used (new 2021)</p> <p>refers to the type of technology used (e.g. UMTS, LTE) for the selected plan.</p>	
<p>Data and voice low-consumption basket (70 min, 20 SMS, 500 MB) Please provide the prices of the operator with the largest market share (as measured by the number of mobile-cellular subscriptions) in the national currency or in the currency as advertised</p>	<p>Base plan, general</p>	<p>i271mb_low_Opf - Data and voice low-consumption basket, operator</p> <p>refers to the name of the selected operator with the largest market share (measured by the number of mobile-cellular subscriptions) for which prices are collected.</p>	
		<p>i271mb_low_Plan - Data and voice low-consumption basket, name of the base plan (modified 2021)</p> <p>refers to the name of the selected base plan for which prices are collected.</p>	

by the operator with a note specifying the currency. The selected plan should represent the cheapest available plan meeting the criteria of the basket (at least 70 min, 20 SMS, and 500 MB) and a minimum mobile-broadband speed of 256 kbit/s. Special offers and plans with limited availability cannot be used. Taxes should be included.

	<p>i271mb_low_tax - Data and voice low- consumption basket, tax rate included</p> <p>refers to the tax rate applicable to and included in the data and voice prices.</p>	
	<p>i271mb_low_link - Data and voice low-consumption basket, base plan and add-on links (modified 2021)</p> <p>refers to the website link of the selected base plan add-ons.</p>	
	<p>i271mb_low_bs - Data and voice low-consumption basket, price of the base plan (modified 2021)</p> <p>refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
Base plan, caps and excess use	<p>i271mb_low_c - Data and voice low-consumption basket, base plan data cap, in MB (modified 2021)</p> <p>refers to the maximum amount of Internet data, in megabytes (MB), included in the selected base plan.</p>	
	<p>i271mb_low_cp - Data and voice low-consumption basket, price of excess usage, per MB</p> <p>refers to price per additional megabyte (MB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i271mb_low_min - Data and voice low-consumption basket, minutes included in the base plan (modified 2021)</p> <p>refers to the maximum number of voice minutes included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-usage basket, validity of plan (i271mb_low_v) below.</p>	
	<p>i271mb_low_xmin - Data and voice low-consumption basket, price of excess voice, per minute</p> <p>refers to the price per additional voice minute once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i271mb_low_sms - Data and voice low-consumption basket, SMS included in the base plan (modified 2021)</p> <p>refers to the maximum number of SMS included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-usage basket, validity of plan (i271mb_low_v) below.</p>	
	<p>i271mb_low_xsms - Data and voice low-consumption basket, price of excess SMS, per SMS</p> <p>refers to the prices per additional SMS once the allotted limited of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i271mb_low_v - Data and voice low-consumption basket, validity of the base plan (days) (modified 2021)</p> <p>refers to the validity (in number of days) of the selected base plan.</p>	
	Data add-on (if necessary)	<p>i271mb_low_add_Plan – Data and voice low-consumption basket, name of the data add-on (new 2021)</p> <p>refers to the name of the selected data add-on for which prices are collected.</p>
<p>i271mb_low_add_bs - Data and voice low-consumption basket, price of the data add-on (new 2021)</p> <p>refers to the price of the data add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>		
<p>i271mb_low_add_c - Data and voice low-consumption basket, data add-on data cap, in MB (new 2021)</p> <p>refers to the maximum amount of Internet data, in megabytes (MB), included in the selected data add-on.</p>		
<p>i271mb_low_add_v - Data and voice low-consumption basket, validity of the data add-on (days) (new 2021)</p> <p>refers to the validity (in number of days) of the selected data add-on.</p>		

	Voice add-on (if necessary)	i271mb_low_adv_Plan – Data and voice low-consumption basket, name of the voice add-on (new 2021) refers to the name of the selected voice add-on for which prices are collected.	
		i271mb_low_adv_bs - Data and voice low-consumption basket, price of the voice add-on (new 2021) refers to the price of the voice add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.	
		i271mb_low_adv_min - Data and voice low-consumption basket, minutes included in the voice add-on (new 2021) refers to the maximum number of voice minutes included in the selected voice add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-consumption basket, validity of voice add-on (i271mb_low_adv_v).	
		i271mb_low_adv_v - Data and voice low-consumption basket, validity of the voice add-on (days) (new 2021) refers to the validity (in number of days) of the selected voice add-on.	
	SMS add-on (if necessary)	i271mb_low_ads_Plan – Data and voice low-consumption basket, name of the SMS add-on (new 2021) refers to the name of the selected SMS add-on for which prices are collected.	
		i271mb_low_ads_bs - Data and voice low-consumption basket, price of the SMS add-on (new 2021) refers to the price of the SMS add-on. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.	
		i271mb_low_ads_sms - Data and voice low-consumption basket, SMS included in the SMS add-on (new 2021) refers to the maximum number of SMS included in the selected SMS add-on that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice low-usage basket, validity of SMS add-on (i271mb_low_ads_v).	
		i271mb_low_ads_v - Data and voice low-consumption basket, validity of the SMS add-on (days) (new 2021) refers to the validity (in number of days) of the selected SMS add-on.	
		i271mb_low_Tech - Data and voice low-consumption basket, technology used refers to the type of technology used (e.g. UMTS, LTE) for the selected plan.	
	Data and voice high-consumption basket (140 min, 70 SMS, 2 GB) Please provide the prices of the operator with the largest market share (as measured by the number of mobile-cellular subscriptions) in the national currency or in the currency as advertised by the operator with a note specifying the currency. The selected plan should represent the cheapest available plan meeting the criteria of the basket (at least 140 min, 70 SMS, and 2 GB) and a minimum mobile-broadband speed of 256 kbit/s. Special offers and plans with limited availability cannot be used. Taxes should be included.	Base plan, general	i271mb_high_Opf_2GB - Data and voice high-consumption basket, operator (new 2021) refers to the name of the selected operator with the largest market share (measured by the number of mobile-cellular subscriptions) for which prices are collected.
i271mb_high_Plan_2GB - Data and voice high-consumption basket, name of the base plan (new 2021) refers to the name of the selected base plan for which prices are collected.			
i271mb_high_tax_2GB - Data and voice high-consumption basket, tax rate included (new 2021) refers to the tax rate applicable to and included in the data and voice prices.			
i271mb_high_link_2GB - Data and voice high-consumption basket, base plan and add-on links (new 2021) refers to the website link of the selected base plan and add-ons.			
i271mb_high_bs_2GB - Data and voice high-consumption basket, price of the base plan (new 2021) refers to the price of the selected base plan. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.			
Base plan, caps and excess usage		i271mb_high_c_2GB - Data and voice high-consumption basket, base plan data cap, in GB (new 2021) refers to the maximum amount of Internet data, in gigabytes (GB), included in the selected base plan.	

	<p>i271mb_high_cp_2GB - Data and voice high-consumption basket, price of excess usage, per GB (new 2021)</p> <p>refers to the price per additional gigabyte (GB) of Internet data downloaded once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i271mb_high_min_2GB - Data and voice high-consumption basket, minutes included in the base plan (new 2021)</p> <p>refers to the maximum number of voice minutes included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-usage basket, validity of plan (i271mb_high_v_2GB) below.</p>	
	<p>i271mb_high_xmin_2GB - Data and voice high-consumption basket, price of excess voice, per minute (new 2021)</p> <p>refers to the price per additional voice minute once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>	
	<p>i271mb_high_sms_2GB - Data and voice high-consumption basket, SMS included in the base plan (new 2021)</p> <p>refers to the maximum number of SMS included in the selected base plan that can be consumed within the given validity period. For more information on the validity period, see indicator data and voice high-usage basket, validity of plan (i271mb_high_v) below.</p>	
	<p>i271mb_high_xsms_2GB - Data and voice high-consumption basket, price of excess SMS, per SMS (new 2021)</p> <p>refers to the price per additional SMS once the allotted limit of the selected base plan is used up. Taxes should be included. If not included, it should be specified in a note including the applicable tax rate.</p>
