iOS Quick Help Guide

**How to refresh the meetings?**

- Pull down to refresh the list of meetings. Any new or updated meeting will be retrieved from the ITU server and stored locally.
- If new/updated meetings are found, the “**New Updated Meetings**” screen will be presented.
- Press the “Done” button when finished.
How to select meeting presentation style?

The meetings are presented in 3 different ways:

- By the day (*Daily*)
- Indexed by meeting title (*Index*)
- Grouped by Committee, Working Group, or Agenda Items

Select meeting presentation

For *Daily*, select display date
