Subject: **Amendments concerning dates and venue of the ITU Regional Radiocommunication Seminar for Asia-Pacific (RRS-13-Asia-Pacific) Nadi, Fiji**

Dear Madam, Sir,

Due to recent developments, the dates and venue of the RRS-13-Asia-Pacific originally intended to take place from 14 to 18 October had to be modified as follows:

- New dates: 28 October - 1 November 2013
- New venue: Tanoa International Hotel, Nadi, Fiji

Other administrative and logistic aspects of the event mentioned in our previous correspondence of 30 August 2013 - Ref. 01(IAP)-2013-003152, i.e. fellowship application process, registration process, programme, etc., as well as relevant deadlines remain unchanged.

Please see <http://www.itu.int/en/ITU-R/seminars/rrs/RRS-13-Asia-Pacific> for updated information on this event.

I apologize for any inconvenience this might have caused you.

Yours faithfully,

François Rancy
Director
